1. APPROVAL OF THE FINANCIAL STATEMENT FOR THE FINANCIAL YEAR ENDED DECEMBER 31ST, 2021 - APPROPRIATION OF PROFIT/LOSS - REVIEW OF THE RELATED-PARTY AGREEMENTS (FIRST TO FOURTH RESOLUTIONS)

You are invited to refer to the management report of the Boards of Directors and to the reports (general and special) of the Statutory Auditors, including the universal registration document, which includes the 2020 annual financial report, both made available under the conditions provided by laws and regulations.

Concerning the state of business since the beginning of the current fiscal year, once again, you are invited to refer to the management report of the Boards of Directors.

2. COMPENSATION OF CORPORATE OFFICERS (EX POST VOTES) FOR THE FISCAL YEAR ENDED DECEMBER 31ST, 2021 (FIFTH TO SEVENTH RESOLUTIONS)

The say on pay process regarding the compensation of corporate officers of listed companies implemented by the Act "Sapin II", as reformed by the ordinance No. 2019-1234 of November 27th, 2019 and the ordinance No. 2020-1142 of September 16th, 2020, provides that the annual ordinary general meeting is called to rule on:

- an "individual" *ex post* vote: on the fixed, variable and exceptional items making up the total compensation and benefits of any kind paid or granted in respect of the previous fiscal year by separate resolutions for the Chairman / Chief Executive Officer and the Deputy Chief Executive Officer, and
- a "general" *ex post* vote: on the information relating to the compensation of all corporate officers (including directors) mentioned in I of Article L. 22-10-9 of the French *Code de commerce* (general *ex post* vote) as presented in the corporate governance report.

You are therefore invited to refer (i) to section 3.5.2.1 of the corporate governance report included in the universal registration document, itself including the 2020 annual financial report, which presents the compensation paid or granted in respect of fiscal year 2020 to the Chairman / Chief Executive Officer and to the Deputy Chief Executive Officer, and (ii) to section 3.5.2.2 of the same report for information on the compensation of corporate officers mentioned in section I of article L. 22-10-9 of the French *Code de commerce*.

Will be subject to your approval:

- as part of the individual *ex post* vote: the compensation paid or granted for the financial year 2020 to the Chairman / Chief Executive Officer and the Deputy Chief Executive Officer, as set out in 3.5.2.1 of the corporate governance report, and
- in the context of the general *ex post* vote: the information on the compensation of corporate officers mentioned in I of Article L. 22-10-9 of the French *Code de commerce*, as set out in 3.5.2.2 of the corporate governance report.

3. APPROVAL OF THE COMPENSATION POLICIES FOR THE CHAIRMAN / CHIEF EXECUTIVE OFFICER, DEPUTY CHIEF EXECUTIVE OFFICER, AS WELL AS DIRECTORS (EIGHTH TO TENTH RESOLUTIONS)

The say on pay process regarding the compensation of corporate officers implemented by the Act "Sapin II", as reformed by the ordinance No. 2019-1234 of November 27th, 2019 and the ordinance No. 2020-1142 of September 16th, 2020, also provides that the annual ordinary general meeting is called to vote *ex ante*, on the compensation policy applicable to all corporate officers, including the directors, and not only executive officer as it used to be the case.

The compensation policy, in its common aspects as well as in those aspects specific to each of the corporate officers and as determined by your Board of Directors, is described in section 3.5.1 of the corporate governance report, included in the 2020 annual financial report, which is itself part of the universal registration document.

The Board of Directors has, upon proposal of the Compensation and Nomination Committee, modified the compensation policy of corporate officers (excluding directors) to allow a grant to the Chairman / Chief Executive Officer and Deputy Chief Executive Officer of a long-term stock-based compensation. This compensation will consist of, in respect of fiscal year 2021, founders warrants (*bons de souscription de parts de créateur d'entreprise*) (BSPCE) the exercise of which will be subject to conditions precedent of presence and performance.

The Board of Directors has also decided, upon proposal of the Compensation and Nomination Committee, to reevaluate the fixed and variable annual compensation of the Chairman / Chief Executive Officer and Deputy Chief Executive Officer starting from the fiscal year 2021. This evolution has been decided in accordance with the general principals set forth in the Middledext Code, by checking, in particular, that it is consistent with market practices and with the compensation of the Company's other managers and employees. The details of these items of compensation are set out in paragraph 3.5.1 of the aforementioned corporate governance report.

Three resolutions will be submitted for your approval, concerning the compensation plan as applied, respectively, to the Chairman / Chief Executive Officer, the Deputy Chief Executive Officer and the Directors.

4. RENEWAL OF THE MANDATE OF THE COMPANY SOFINNOVA PARTNERS AS DIRECTOR OF THE COMPANY (ELEVENTH RESOLUTION)

The company Sofinnova Partners, represented by Ms. Lucy Lu, has been appointed director of the Company following the general meeting dated May 28th, 2018, for a period of 3 years.

Its term as director of the company is therefore coming to an end after your General Meeting.

In accordance with its wish, we invite you to renew its term as director of the Company for another three years, ending after your annual ordinary general meeting called to rule on the financial statements for the fiscal year ended December 31st, 2023.

5. APPOINTMENT OF A SECOND STATUTORY AUDITOR (TWELFTH RESOLUTION)

The Company is required to appoint a second Statutory Auditor to comply with the provisions of Article L. 823-2 of the French *Code de commerce*.

We therefore propose that you appoint as second Statutory Auditor of the Company, the company Lison Chouraki Audit (LCA), having its registered office at 3, rue Anatole de la Forge, 75017 Paris, registered with the Trade and Companies Registry of Paris, under the No. 512 150 467 and represented by Mrs. Lison Dahan Chouraki, for a

period of six years, ending after the General Meeting called to rule on the consolidated financial statements for the fiscal year ended December 31st, 2026.

6. APPOINTMENT OF AN ALTERNATE AUDITOR (*THIRTIETH RESOLUTION*)

As, the second statutory auditor is not a multi-partner company, the Company needs to proceed with the appointment of an alternate auditor.

We therefore propose that you appoint as second Statutory Auditor of the Company, the company R&Berg Audit, having its registered office at 14, avenue Wagram, 75008 Paris, registered with the Trade and Companies Registry of Paris, under the No. 809 727 704 and represented by Mr. Julien Herenberg, for a period of six years, ending after the General Meeting called to rule on the consolidated financial statements for the fiscal year ended December 31st, 2026.

7. AUTHORIZATION TO IMPLEMENT A SHARE REPURCHASE PLAN, AND CONCOMITANTLY TO AUTHORIZE THE BOARD TO REDUCE THE SHARE CAPITAL BY CANCELLING TREASURY SHARES (*FOURTEENTH AND FIFTEENTH RESOLUTIONS*)

We propose that you renew, in advance, the authorization granted to the Board of Directors, for a period of 18 months, by the ordinary and extraordinary general meeting of May 28th, 2020, to implement a buyback program.

During previous fiscal years, this buyback program has been exclusively used within the framework of a liquidity agreement initially entered into with Oddo BHF (which was succeeded by an identical agreement with Kepler Cheuvreux), to meet the objective of allowing the liquidity of the Company's share through an investment services provider. The resolution that we submit to you aims at continuing the implementation of said liquidity agreement, within the limit of 10% of the shares composing the share capital, at any moment.

The amount of funds intended for the realization of the share repurchase plan would be limited to 10% of the share capital, the Board of Directors being able to lower this ceiling when implementing this resolution. The maximum purchase price by share (excluding fees and commissions) would be set at EUR forty (€40).

We also submit to your approval the authorization to be granted to the Board of Director to cancel, if applicable, the treasury shares obtained while implementing the share repurchase plan and to reduce the share capital correlatively.

Once again, this involves the anticipatory renewal of the authorization granted to the Board of Directors, for a period of 18 months, by the 13th resolution of the mixed general meeting of May 28th, 2020; to avoid having a period not covered by this authorization.

In all circumstances, the Company has currently no intention to cancel shares, its share repurchase plan being limited to the performance of the liquidity agreement.

8. FINANCIAL DELEGATIONS TO THE BOARD OF DIRECTORS (*SIXTEENTH TO TWENTY-EIGHTH RESOLUTIONS*)

We propose that you renew, in advance, the current financial delegations granted to the Board of Directors by the extraordinary and ordinary general meeting dated May 28th, 2020. These delegations would give the Board of Directors the authority to carry out various transactions on the share capital and thus to give the Company the necessary flexibility and reactivity to strengthen its capital base by implementing various financing options (in particular financing through the issue of ordinary shares, including in the form of American Depositary Shares following the initial public offering of the Company in July 2020 on the American market and/or convertible bonds), without having to consult again the shareholders' general meeting. The Company could thus have the necessary resources, as the case may be, by calling on markets in order to accelerate and complete its development programs.

You will read the reports prepared by the Statutory Auditor on these delegations and authorizations.

In this regard, we would like to point out that:

- The maximal global nominal amount of any share capital increase that may be carried out pursuant to the delegation granted under the terms of the resolution 16 hereunder is set at 260.000 euros, corresponding to 26.000.000 shares, representing approximately 67% of the share capital as of March 2nd, 2021,
- The maximal global nominal amount of any share capital increase without shareholders' preemptive subscription rights that may be carried out pursuant to the delegations granted under the terms of the resolutions 17, 18, 20, 22 hereunder, is set at 230.000 euros (said cap would count towards the overall cap of 260.000 euros referred to above), corresponding to 23.000.000 shares, representing approximately 59% of the share capital as of March 2nd, 2021.
- The maximum global nominal amount of any share capital increase that may be carried out pursuant to the delegation granted under the terms of the resolution 24 hereunder is set at 3.000 euros (said amount will count towards the overall cap of 260.000 euros referred to above), corresponding to 300.000 shares, representing approximately 0,77% of the share capital as of March 2nd, 2021.
- The maximum global nominal amount of any share capital increase that may be carried out pursuant to the delegation granted under the terms of the resolution 25 hereunder is set at 20.000 euros (said cap being independently fixed and distinct from the caps referred to above), corresponding to 2.000.000 shares, representing approximately 5,2% of the share capital as of March 2nd, 2021,
- The maximum global nominal amount of debt securities that may be carried out pursuant to these delegations would be set at 150.000.000 euros,
- The delegations requested could not be used during the period of a public offering for the Company's shares,
- These delegations would put an end on the delegations, having the same object, granted previously,

All of these delegations would be granted for a period of twenty-six (26) months, with the exception of the delegation referred to in resolution 20 (delegation for the purpose of increasing the share capital of the company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, reserved for certain specific categories of beneficiaries, without shareholders' preemptive subscription rights), which would be granted for a period of eighteen (18) months, as well as the delegation referred to in the resolution 23 (delegation for the purpose of increasing the share capital of the Company by issuance of ordinary shares or securities giving access to the share capital of the Company, immediately or in the future, in consideration for contributions in kind up to a maximum of 10% of the share capital, excluding the case of a public exchange offer initiated by the Company), which would be granted for a period of eighteen (18) months if used in the context of resolution 20.

The Board of Directors would have full powers, with the right to subdelegate such powers in accordance with French law, to implement the delegations granted to it. Should the Board of Directors use the delegations of authority thus granted, it would report thereon to the following ordinary general meeting, in accordance with the law and regulations.

We therefore propose that you review hereinafter each of the delegations and authorizations that you are being asked to grant your Board of Directors.

8.1. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to ordinary shares of the Company,

immediately or in the future, with shareholders' preemptive subscription rights maintained, up to the global limit of 260.000 euros (SIXTEENTH RESOLUTION);

This delegation would grant the Board of Directors, with the right to sub-delegate under the conditions provided by French law, the authority to proceed with, one or more issuances, in France and/or abroad, in euros or in any other currency or currency units established by reference to several currencies, with maintenance of the shareholders' preemptive subscription rights, of ordinary shares of the Company and/or any securities giving access, immediately or in the future, to ordinary shares to be issued by the Company, including through the free allocation of share subscription warrants, which may be subscribed for either in cash or by offsetting against claims, in the amount and at the times it deems appropriate.

The shareholders shall have, proportionally to the amount of their shares, preemptive subscription rights over the ordinary shares and securities giving access to the share capital of the Company to be issued. The Board of Directors may grant shareholders excess subscription rights for ordinary shares or securities issued, to be exercised in proportion to their subscription rights and within the limit of their requests.

If the subscriptions on an irreducible basis and, as the case may be, on a reducible basis, do not absorb the entire issuance of shares or securities giving access to the share capital of the Company pursuant to this resolution, the Board of Directors may use the options provided by Article L. 225-134 of the French *Code de commerce*, in the order of its choice, or only some of them, and in particular the limitations of the issuance to the amount of subscriptions received, provided that such amount reaches at least three-quarters of the issuance decided upon, or decides to offer to the public all or part of the securities not subscribed.

The maximum nominal amount of the share capital increases that may be performed, immediately or in the future, pursuant to this resolution shall not exceed two hundred sixty thousand euros (EUR 260,000), consisting of 26.000.000 shares, representing approximately 67% of the share capital as of March 2nd, 2021 and it being specified that the maximum nominal amount of the share capital increases that may be performed, immediately or in the future, pursuant to this resolution, resolutions 16 to 24 of this General Shareholders' Meeting, as well as capital increases that may be performed pursuant to resolutions 26 to 28 of this Meeting, would count towards this overall cap. Added to this cap would be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

Securities giving access, immediately or in the future, to ordinary shares to be issued by the Company may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities. The debt securities issued pursuant to this resolution may take the form of subordinated or non-subordinated securities, for a fixed or indefinite term, and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The maximum nominal amount of such debt securities that may be issued pursuant to this resolution shall not exceed one hundred and fifty million euros (EUR 150,000,000) (or the counter-value of this amount in another currency or in any currency units established by reference to several currencies). This amount is a global cap which applies to all of the debt securities whose issuance is provided for pursuant to this resolution and resolutions 17 to 23 of this General Shareholders' Meeting. This cap is independent from the debt securities whose issuance would be decided or authorized by the Board of Directors pursuant to Article L. 228-40 of the French *Code de commerce*.

This resolution entails the waiver of the shareholders' preemptive subscription rights over the ordinary shares of the Company to which any securities issued pursuant to this resolution may entitle them.

The Board of Directors will have full authority, with the right to sub-delegate under the conditions provided by French law, to implement this resolution.

The aforementioned delegation would be granted for a period of 26 months and would terminate, with immediate effect, for the unused fraction, the delegation granted by the Combined General Shareholder's Meeting dated 28 May 2020 in its resolution 14.

8.2. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, without shareholders' preemptive subscription rights, by way of public offerings, excluding offers referred to in Article L.411-2- 1° of the French Code monétaire et financier (SEVENTEENTH RESOLUTION);

This delegation would grant the Board of Directors, with the right to sub-delegate under the conditions provided by French law, the authority to proceed with, one or more issuances, by way of public offerings, excluding offers referred to in article L. 411-2 1° of the French *Code de commerce*, in France and/or abroad, in euros or in any other currency or currency units established by reference to several currencies, without shareholders' preemptive subscription rights, of ordinary shares of the Company and/or securities giving access, immediately or in the future, to ordinary shares to be issued by the Company, in the amount and at the times it deems appropriate.

Public offerings, performed pursuant to this resolution, may be combined, within one or several simultaneous issuances, with offerings pursuant to the provisions of Article L. 411-2 1° of the French *Code monétaire et financier*.

The Board of Directors may grant shareholders a priority right to subscribe to as irreducible and/or reducible amounts, during a period and on the terms set by it for all or part of an issuance performed, pursuant to the provisions of Article L. 225-135 of the French *Code de commerce*. This priority right will be allocated in proportion to shareholders' existing interests in the share capital of the Company in accordance with applicable laws and regulations.

If subscriptions by shareholders do not absorb the entire issuance of ordinary shares or securities giving access to the share capital of the Company, the Board of Directors may use the options provided by Article L. 225-134 of the French *Code de commerce* in the order of its choice, or only some of them, and in particular the limitation of the issuance to the amount of subscriptions received, provided that such amount reaches at least three-quarters of the issuance decided upon.

The maximum nominal amount of the share capital increases that may be performed, pursuant to this resolution shall not exceed two hundred and thirty thousand euros (EUR 230,000), consisting of 23.000.000 shares, representing approximately 59% of the share capital as of March 2nd, 2021, it being specified that this cap would count towards the overall cap of two hundred and sixty thousand euros (EUR 260,000) stipulated in paragraph 7.1 above. Added to those caps would be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities or other rights giving access to the share capital of the Company.

Securities giving access to ordinary shares to be issued by the Company may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities. The debt securities may take the form of subordinated or non-subordinated securities, for a fixed or indefinite term, and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The maximum nominal amount of such debt securities that may be issued pursuant to this resolution shall not exceed one hundred and fifty million euros (EUR 150,000,000) (or the counter-value of this amount in another currency or in any currency units established by reference to several currencies), it being specified that this amount would count towards the overall cap stipulated in paragraph 7.1 above. This cap is independent from the amount of debt securities whose issuance would be decided or authorized by the Board of Directors pursuant to Article L. 228-40 of the French *Code de commerce*.

This resolution entails the waiver of the shareholders' preemptive subscription rights over the ordinary shares of the Company to which any securities issued pursuant to this resolution may entitle them.

We remind you that the issue price of the shares and securities that may be issued pursuant to this delegation would be set by the Board of Directors, in accordance with the provisions of Article L. 225-136-1° and Article R. 225-119 of the French *Code de Commerce* (as an indication on the date of this General Meeting, the issue price of the shares would be at least equal to the volume-weighted average price of the shares of the Company over the last three (3) trading days on the regulated market of Euronext Paris preceding the start of the public offering within

the meaning of EU Regulation 2017/1129 of 14 June 2017, as the case may be, less the maximum discount permitted by law, currently 10%, it being specified that the issue price of the securities giving access to ordinary shares will at least be equal to the amount received immediately by the Company, plus any amount likely to be received later by the Company, where applicable, *i.e.* for each ordinary share issued as a result of these securities being issued, at least equal to the amount mentioned above).

Full powers would be granted to the Board of Directors, with the right to subdelegate such powers in accordance with the law, for implementing this resolution.

The delegation presented would be granted for a period of 26 months and would terminate, with immediate effect, the unused portion of the delegation granted by the Combined General Meeting of 28 May 2020 in its 15th resolution.

8.3. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, without shareholders' preemptive subscription rights, by way of public offerings referred to in Article L.411-2 1° of the French *Code monétaire et financier* (EIGHTEENTH RESOLUTION);

This delegation is in all respects identical to the delegation described in the paragraph above, with the difference that the issues decided pursuant to this delegation would be carried out in the context of an offer to qualified investors or a restricted circle of investors referred to in 1° of Article L. 411-2 of the French *Code monétaire et financier*, it being specified that the total nominal amount of the share capital increases that may be carried out pursuant to this delegation may not exceed EUR 230,000 (representing 23,000,000 shares or 59% of the share capital as at 2 March 2021), nor, in any event, exceed the maximum amount set by the regulations in force on the date of issue (*i.e.*, for information purposes, as at the date of this General Meeting, 20% of the share capital per year as assessed on the date the delegation is implemented by the Board of Directors), maximum amount to which would be added, where applicable, the additional amount of shares to be issued to preserve, in accordance with the law and, where applicable, contractual stipulations providing for other cases of adjustment, the rights of holders of securities and other rights giving access to ordinary shares, it being specified, on the one hand, that this cap will count towards the cap of EUR 230,000 ceiling stipulated in point 7.2 above and would be deducted from the latter on the other hand, that the maximum nominal amount of the share capital increases that may be performed pursuant to this resolution will count towards the overall cap of EUR 260,000 stipulated in point 7.1 above.

Securities giving access to ordinary shares to be issued by the Company may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities, and that the debt securities issued pursuant to this resolution may take the form of subordinated or non-subordinated securities, for a fixed or indefinite term and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The total nominal amount of debt securities that may be issued under this delegation may not exceed EUR 100,000,000 (or the equivalent of this amount in foreign in any other currency or currency units established by reference to several currencies), this amount being included in the global ceiling of EUR 230,000 stipulated in point 7.2 above.

We remind you that the issue price of the shares and securities that may be issued pursuant to this delegation would be set by the Board of Directors, in accordance with the provisions of Article L. 225-136-1° and Article R. 225-119 of the French *Code de Commerce* (as an indication on the date of this General Meeting, the issue price of the shares would be at least equal to the volume-weighted average price of the shares of the Company over the last three (3) trading days on the regulated market of Euronext Paris preceding the start of the public offering within the meaning of EU Regulation 2017/1129 of 14 June 2017, as the case may be, less the maximum discount permitted by law, currently 10%, it being specified that the issue price of the securities giving access to ordinary shares will at least be equal to the amount received immediately by the Company, plus any amount likely to be received later by the Company, where applicable, *i.e.* for each ordinary share issued as a result of these securities being issued, at least equal to the amount mentioned above).

Full powers would be granted to the Board of Directors, with the right to subdelegate such powers in accordance with the law, for implementing this resolution.

This delegation would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the delegation granted by the Combined General Meeting of 28 May 2020 in its 16th resolution.

8.4. Authorization to the Board of Directors to set the issuance price on the capital increases by way of public offerings, without shareholders' preemptive rights, pursuant to the terms and conditions set by the General Shareholders' Meeting, and up to the limit of 10% of the share capital (NINETEENTH RESOLUTION);

We ask you to authorize your Board of Directors, with the right to subdelegate under the conditions provided for by law, for each of the issues decided under the delegations granted in 17th and 18th resolutions, and up to a limit of 10% of the Company's share capital (as existing on the date of the transaction) per 12-month period, to depart from the conditions for setting the issuance prices provided for in the aforementioned resolutions and to set the issuance price of the ordinary shares and/or securities giving access to the share capital of the Company to be issued according to the following terms and conditions:

- (i) the issuance price of the ordinary shares will at least be equal to either:
 - the volume-weighted average price of the share of the Company on the regulated market of Euronext Paris during the last trading session preceding the pricing date, or
 - the volume-weighted average price of the share of the Company on the regulated market of Euronext Paris over three consecutive trading days, chosen from the 30 trading days preceding the pricing date;which may be reduced by a maximum discount of 15% and the Board of Directors may freely use any of the two formulas set forth above; and
- (ii) the issuance price of the securities to be issued pursuant to this resolution, other than ordinary shares of the Company, will at least be equal to an amount such that the amount received immediately by the Company, plus any amount likely to be received later by the Company, where applicable, *i.e.* for each ordinary share issued as a result of these securities being issued, is at least equal to the amount mentioned in the paragraph (i) above.

Full powers would be granted to the Board of Directors to implement this resolution.

This authorization would give the Board greater flexibility to determine the pricing terms and conditions based on market opportunities and investor demand.

This authorization would be granted, with the right to subdelegate, for a period of 26 months and would terminate, with immediate effect, for the unused portion of the authorization granted by the Combined General Meeting of 28 May 2020 in its 17th resolution.

8.5. Delegation of authority to the Board of Directors to increase the share capital of the company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, reserved for certain specific categories of beneficiaries, without shareholders' preemptive subscription rights (TWENTIETH RESOLUTION);

This delegation would enable the Board to proceed with, with the right to subdelegate under the conditions provided for by law, in France or abroad, one or more issuances, in the amount and at the times it deems appropriate, in France and/or abroad, in euros or in any other currency or currency unit established by reference to several currencies, without shareholders' preemptive subscription rights, for the benefit of certain specific categories of beneficiaries, of ordinary shares of the Company and/or securities giving access, immediately and/or in the future, to ordinary shares to be issued by the Company, with cancellation of shareholders' preemptive subscription right in favor of categories of beneficiaries with one of the following characteristics:

- (i) natural or legal persons (including companies) trusts or investment funds, or other investment vehicles, in any form, established under French or foreign law, which regularly invest in the pharmaceutical, biotechnological or medical technology sectors; and/or

- (ii) companies, institutions or entities, in any form, French or foreign, exercising a significant part of its activities in the pharmaceutical, cosmetic or chemical sectors, or medical devices and/or technologies, or researching in such sectors; and/or

The sole purpose of the latter paragraph is to enable investment service providers who are likely to guarantee the realization of an issue intended to be placed with the persons referred to in the first two paragraphs to subscribe to the securities issued in the event that the guarantee is activated.

The total nominal amount of the share capital increases that may be carried out pursuant to this delegation may not exceed EUR 230,000, which represents 23,000,000 shares, i.e. 59% of the share capital as of March 2, 2021, it being specified, firstly, that this ceiling would count towards the overall cap of EUR 230,000 stipulated in point 7.2 above and would be deducted from the latter and, secondly, that the nominal amount of the capital increases likely to result from this resolution would be deducted from the overall cap of EUR 260,000 stipulated in point 7.1 above. Added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

The total nominal amount of the debt securities that may be issued under this delegation may not exceed EUR 150,000,000 (or the equivalent of this amount in foreign in any other currency or currency units established by reference to several currencies), this amount being included in the overall cap stipulated in point 7.2 above.

If the subscriptions have not fully absorbed an issue of shares or securities giving access to the capital issued pursuant to this resolution, the Board of Directors may limit the issue to the amount of subscriptions provided that this amount reaches at least three-quarters of the issue decided.

The issuance price of the ordinary shares and securities to be issued pursuant to this resolution will be determined by the Board of Directors, with the right to subdelegate under the conditions provided by French law, pursuant to Articles L. 225-138 II of the French *Code de commerce*, and will at least be equal:

- (i) for the ordinary shares, either to:
 - the volume-weighted average price of the share of the Company on the regulated market of Euronext Paris for the last trading session preceding the pricing, or
 - the volume-weighted average price of the share of the Company on the regulated market of Euronext Paris over three consecutive trading days, chosen from the 30 trading days preceding the pricing date;which may be reduced by maximum discount of 15% and the Board of Directors may freely use any of the two formulas set forth above, and
- (ii) for the securities to be issued pursuant to this resolution, other than ordinary shares of the Company, to an amount such that the amount received immediately by the Company, plus any amount likely to be received later by the Company, where applicable, i.e. for each ordinary share issued as a result of these securities being issued, is at least equal to the amount mentioned in paragraph (i) above.

Full powers would be granted to the Board of Directors to implement this resolution.

This delegation, together with the proposed discount, would enable the Company to call on specialist investors and, once again, give it greater flexibility in setting the issue price of the securities.

This delegation would be granted for a period of 18 months and would terminate, with immediate effect, for the unused portion of the delegation granted by the Combined General Meeting of 28 May 2020 in its 18th resolution.

8.6. Authorization to the Board of Directors to increase the number of securities to be issued as part of share capital increases with or without shareholders' preemptive subscription rights (TWENTY FIRST RESOLUTION);

We ask you to authorize your Board of Directors, with the right to subdelegate under the conditions provided by law, for each of the issues decided pursuant to 15th to 17th and 19th resolutions above, to decide, within the periods and limits provided for by the law and regulations applicable on the date of the relevant issue (on the date of this meeting, within thirty (30) days following the closing of the subscription, up to a maximum of fifteen percent (15%) of the initial issuance and at the same price as the initial issuance), to increase the number of shares to be issued as part of share capital increases within the ceiling provided for in the resolution pursuant to which the issue is decided upon.

This authorization would notably enable the Board to provide for an additional capital increase, if necessary, to facilitate any over-allotments and stabilization measures on the Company's share price.

This authorization would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the authorization granted by the Combined General Meeting of 28 May 2020 in its 19th resolution.

8.7. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares and securities giving access to the share capital of the Company, immediately or in the future, as part of a public exchange offer initiated by the Company (TWENTY-SECOND RESOLUTION);

We suggest you, in accordance, in particular, with the provisions of Articles L. 225-129-2 and 225-148 of the French *Code de commerce*, to delegate to the Board of Directors, with the right to subdelegate under the conditions provided by law, the authority to proceed with, one or more issuances, in France and/or abroad, in euros or in any other currency or currency units established by reference to several currencies, of ordinary shares of the Company and/or securities giving access, immediately and/or in the future, to ordinary shares to be issued by the Company, in consideration for the securities contributed to a public exchange offer including an exchange component (on a principal or subsidiary basis) initiated by the Company, in France and/or abroad, in accordance with local regulations on the securities of a company whose shares are admitted to trading on one of the regulated markets listed in Article L. 22-10-54 of the French *Code de commerce*, with cancellation of shareholders' preemptive subscription rights over these shares and/or securities to be issued in favor of the holders of such securities.

The total nominal amount of the share capital increases that may be carried out pursuant to this delegation may not exceed EUR 230,000 (which represents 23,000,000 shares, i.e. 59% of the share capital as of March 2, 2021), it being specified that this cap will count towards the cap of EUR 230,000 stipulated to in point 7.2 above and would be deducted from the latter and, secondly, that the nominal amount of the capital increases that may result from this resolution would be deducted from the overall cap of EUR 230,000 referred to in point 7.1 above. Added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

Securities giving access to ordinary shares to be issued by the Company may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities, and that the debt securities issued pursuant to this resolution may take the form of subordinated or non-subordinated securities with a fixed or indefinite term and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The total nominal amount of the debt securities that may be issued under this delegation may not exceed EUR 150,000,000 (or the counter-value of this amount in another currency or in any currency units established by reference to several currencies), it being specified that this amount would be deducted from the overall cap stipulated in section 8.1 above, it being specified that this amount does not include the redemption premium(s) above par, if any. It would be independent from the debt securities whose issue would be decided on or authorized by the Board of Directors in accordance with Article L. 228-40 of the French *Code de commerce*.

This delegation would entail a waiver of the shareholders' preemptive subscription rights over ordinary shares of the Company to which any securities issued pursuant to this resolution may entitle them.

All powers would be granted to the Board of Directors, with the option of sub-delegation, to implement this resolution.

This delegation would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the delegation granted by the Combined General Meeting of 28 May 2020 in its 20th resolution.

8.8. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to the share capital of the Company, immediately or in the future, in consideration for contributions in kind up to a maximum of 10% of the share capital, excluding the case of a public exchange offer initiated by the Company (TWENTY-THIRD RESOLUTION);

We suggest you, in accordance, in particular, with the provisions of Articles L. 225-129-2 and 225-147 of the French *Code de commerce*, to delegate to the Board of Directors, with the right to subdelegate under the conditions provided by law, the authority to proceed, on the basis of the report of the Contribution Auditor(s), with, one or more issuances, in France and/or abroad, in euros or in any other currency or currency units established by reference to several currencies, of ordinary shares of the Company and/or securities giving access, immediately and/or in the future, to ordinary shares to be issued by the Company, in order to remunerate contributions in kind granted to the Company and consisting of equity securities or securities giving access to the share capital, when the provisions of Article L. 225-148 of the French *Code de commerce* are not applicable, for example in connection with the acquisition of assets.

The securities so issued may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities, and that the debt securities issued pursuant to this resolution may take the form of subordinated or non-subordinated securities with a fixed or indefinite term and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The total nominal amount of the share capital increases that may be carried out under this delegation may not exceed the legal limit of 10% of the Company's share capital (as existing on the date of the transaction), it being specified, firstly, that this cap would be common to the cap of EUR 230,000 set in point 8.2 above, and would be deducted from the latter, and, secondly, that the nominal amount of the capital increases that may result from this resolution would count towards the overall cap of EUR 260,000 stipulated in point 8.1 above. Added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

The total maximum nominal amount of debt securities that may be issued pursuant to this resolution shall not exceed EUR 150,000,000 (or the counter-value of this amount in another currency or in any currency units established by reference to several currencies), this amount being deducted from the overall ceiling referred to in point 8.1 above, it being specified that this amount does not include the redemption premium(s) above par, if any. This cap is independent from the debt securities whose issuance would be decided on or authorized by the Board of Directors in accordance with Article L. 228-40 of the French *Code de commerce*.

Full powers would be granted to the Board of Directors, with the right to subdelegate, to implement this resolution.

This delegation would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the delegation granted by the Combined General Meeting of 28 May 2020 in its 21st resolution.

8.9. Delegation of authority to the Board of Directors to increase the share capital reserved for employees of the company (TWENTY-FOURTH RESOLUTION);

We remind you that pursuant to Article L. 225-129-6 of the French *Code de commerce*, when making any decision to increase the share capital, the Extraordinary Shareholders' Meeting must vote on a draft resolution to carry out a capital increase reserved for employees under the conditions provided for in Articles L. 3332-18 et seq. of the French *Code du Travail*, i.e. those who are members of a company savings plan (*Plan d'Épargne d'Entreprise*).

Under these conditions, we are submitting to you a resolution to delegate to the Board of Directors, with the right to subdelegate under the conditions provided by law, the powers of the Extraordinary General Meeting to carry out a capital increase, on one or more occasions, in the proportions and at the times it deems appropriate, based on its deliberations alone, within a period of twenty-six (26) months from the date of this meeting, up to a maximum nominal amount of EUR 3,000, by issuing 3,000,000 shares, to be paid up in cash, with cancellation of the shareholders' preemptive subscription right over cash shares to be issued to the *Fonds Commun de Placement d'Entreprise* to be set up as part of a Company Savings Plan to be created, in the event of completion of the capital increase(s) provided for above.

The nominal amount of the capital increases that may result from this resolution would be deducted from the overall ceiling of EUR 260,000 stipulated in 8.1 above. Added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

We remind you, however, that there is no company savings plan in existence now to which our Company's employees could subscribe and that the Company has always favored employee access to its capital through its policy of directly granting securities giving access to the capital.

We would like to inform you that we are not in favor of such an authorization as we believe that the proposal to set up free share allocation plans that have been submitted to you in advance are more in line with the Company's current social policy, which is designed to strengthen the direct participation of the Company's employees in its capital.

This authorization would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the authorization granted by the Combined General Meeting of 28 May 2020 in its 22nd resolution.

8.10. Delegation of authority to the Board of Directors to increase the share capital of the Company by incorporating reserves, profits or premiums (TWENTY-FIFTH RESOLUTION);

We suggest you, in accordance, in particular, with the provisions of Articles L. 225-129-2 and L. 225-130 of the French *Code de commerce*, to delegate to the Board of Directors, with the right to subdelegate under the conditions provided by law, the authority to proceed with, one or more issuances, in the amount and at the times it deems appropriate, by incorporation, successive or simultaneous, into the share capital of reserves, profits, premiums or any other sums whose capitalization may be allowed, to be realized by increasing the par value of existing ordinary share and/or by granting new ordinary shares free of charge.

The total nominal amount of the capital increases that may be carried out under this delegation may not exceed EUR 20,000, it being specified that this cap is set independently and separately from the caps for share capital increases resulting from issuances of ordinary shares or securities authorized by the other resolutions submitted to this Meeting and stipulated to in points 8.1 and 8.2 above, by the resolutions adopted, and still in force, at any previous General Meeting, and that added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

This authorization would be granted for a period of 26 months, with the option of sub-delegation, and would terminate, with immediate effect, for the unused portion of the authorization granted by the Combined General Meeting of 28 May 2020 in its 23rd resolution.

9. DELEGATIONS AND AUTHORIZATIONS TO THE BOARD OF DIRECTORS WITHIN THE FRAMEWORK OF THE INTEREST POLICY FOR CORPORATE OFFICERS AND EMPLOYEES OF THE COMPANY (TWENTY-SIXTH TO TWENTY-EIGHTH RESOLUTIONS);

As part of its remuneration and motivational policy for its employees, consultants and certain (mostly independent) members of the Board of Directors, the Company has since 2013 implemented successive plans to grant warrants to entrepreneurs, free shares, stock options and share warrants.

The plans have benefited all of the Company's employees. As at 15 March 2021, the date of registration of the Universal Registration Document, all dilutive instruments allocated or subscribed for and not yet exercised under these plans represented 339,900 shares, representing a potential dilution of approximately 0.88 % of the share capital.

In this context, the Company's Board of Directors, anxious to be able to continue to motivate and retain the Company's employees and managers, the members of the Company's Board of Directors and their consultants, in line with the interests of the shareholders, wished to continue in 2021 the system of granting stock options, the free allocation of shares, the issue of share warrants and the allocation of warrants for business creator shares, in accordance with good governance practices. In this respect, as with the financial delegations, it is proposed that you renew, in advance, the authorization granted to the Board of Directors for the issue of share warrants for a period of 18 months, by the Combined General Meeting of 28 May 2020 in its 26th resolution. You are also being asked to renew, in advance, the authorizations granted to the Board of Directors for the allocation of free shares and the granting of stock options, for a period of 38 months, by the Combined General Meeting of 28 May 2020 in its 24th and 25th resolutions.

We inform you that the nominal amount of the capital increases resulting from the exercise of share subscription options and/or the free allocation of shares that may be granted under the terms of resolutions 26 and 27 submitted for your approval may not exceed a number of shares representing more than 5% of the share capital on the date of the Board of Directors' decision to grant them, it being specified that the nominal amount of any capital increases that may be carried out pursuant to these resolutions would be deducted from the overall ceiling of 260,000 euros set in point 8.1 above.

In addition the nominal amount of the capital increases resulting from the exercise of the share subscription warrants that may be granted under the terms of resolution 28 submitted for your approval, may not exceed a maximum amount of EUR 6,000, representing a maximum of 600,000 shares, corresponding to a maximum dilution percentage of 1.55 % in relation to the Company's share capital at 2 March 2021.

These percentages do not take into account the nominal value of the equity securities to be issued, if any, in respect of adjustments made in accordance with the law and, where applicable, contractual stipulations providing for other cases of adjustment.

The authorization to grant stock options and/or free shares would be granted for a period of 38 months from the date of this General Meeting. The early renewal of the authorization to issue and grant share warrants would be granted for a period of 18 months from the date of this General Meeting.

The Board of Directors would have full powers to implement the authorisations thus granted to it.

In the event that the Board of Directors were to use these delegations of authority, it would report to the next Ordinary General Meeting on the transactions carried out under these authorisations, in accordance with the law and regulations.

Please note that these authorisations may not be used during a public offer for the Company's shares.

We suggest that you review each of the authorisations that we are asking you to grant your Board of Directors. For each of these authorisations, you will hear a reading of the statutory auditors' report.

8.1. Authorization to the Board of Directors to grant free shares to employees and/or certain corporate officers (TWENTY-SIXTH RESOLUTION);

We suggest that you authorize your Board of Directors to proceed with, on one or more occasions, the allocation of free ordinary shares of the Company, existing or to be issued, to the benefit of:

- employees of the Company or of companies directly or indirectly related to it, to the within the meaning of Article L.225-197-2 of the French Code de commerce, and/or
- corporate officers who meet the conditions set out in Article L.225-197-1, II of the French Code de commerce,

The total number of free shares granted may not exceed 5% of the share capital on the date of the grant decision by the Board of Directors, it being specified that the nominal amount of any capital increases that may be carried out pursuant to this resolution would be deducted from the overall ceiling of EUR 260,000 set in point 7.1 above.

8.2. Authorization to the Board of Directors to grant share subscriptions and/or share purchase options to corporate officers and employees of the Company (TWENTY-SEVENTH RESOLUTION);

We therefore ask you to authorize the Board of Directors to grant, for a period of 38 months, on one or more occasions, options to subscribe for or purchase shares in the Company, under the following conditions:

- the total number of options that may be granted may not entitle the holder to subscribe for or acquire a total number of shares representing more than 5% of the share capital on the date of the decision to grant them by the Board of Directors, it being specified that the nominal amount of any capital increases that may be carried out pursuant to this resolution would be deducted from the overall ceiling of 260,000 euros set in point 7.1 above;
- the options would be granted to members of the salaried employees and/or corporate officers (or some of them) of the Company and of companies and economic interest groups linked to the Company under the conditions defined in Article L. 225-180-I of the French *Code de commerce*;
- the shares that may be obtained through the exercise of stock options should be acquired by the Company, either under Article L. 225-208 of the French *Code de commerce* or, as the case may be, under the share buyback program referred to in Resolution 14 above, pursuant to Article L. 225-209 of the French *Code de commerce*, or under any share buyback program applicable prior or subsequent to the date of this resolution;
- the exercise price of the options granted under this resolution would be set by the Board of Directors as follows:
 - o in the case of options to subscribe for new ordinary shares, the exercise price of the share subscription option shall not be less than 80% of the average purchase price of the Company's shares on Euronext Paris regulated market during the twenty (20) trading sessions preceding the day on which the options are granted,
 - o in the case of options to purchase existing shares, the exercise price of the share purchase options shall not be less than 80% of the average purchase price of the shares held by the Company pursuant to Article L. 225-208 of the French *Code de commerce*, or, as the case may be, under the share buyback program authorized according to the 14th resolution submitted to this Meeting pursuant to Article L. 225-209 of the French *Code de commerce* or any share buyback program previously or subsequently applicable.

each option should be exercised at the latest within 10 years from the date of their grant by the Board of Directors.

8.3. Delegation of authority to the Board of Directors to decide on the issue of ordinary share subscription warrants, without shareholders' preemptive subscription rights, to the benefit of categories of persons (TWENTY-EIGHTH RESOLUTION);

We suggest that you delegate to the Board of Directors the authority to issue, on one or more occasions, a maximum number of 600,000 ordinary share subscription warrants (the "**BSA 2021**"), without shareholders' preemptive subscription right over the said BSA 2021, each BSA 2021 giving the right to subscribe for one ordinary share of the Company with a par value of 0.01 euro, i.e. within the limit of a maximum number of six hundred thousand (600,000) ordinary shares, representing a par value of EUR 6,000.

The nominal amount of the capital increases likely to be carried out in the future pursuant to this delegation would correspond to the issue of 600,000 ordinary shares with a nominal value of EUR 0.01 per share, to which would be added, where applicable, the nominal amount of the shares to be issued in order to preserve the rights of the holders of the BSA 2021, if such reservation would be necessary, it being specified that this ceiling would be deducted from the global ceiling of EUR 260,000 set in point 7.1 above.

The shareholders' preemptive subscription rights over the BSA 2021 would be cancelled and the subscription of said BSA 2021 would be reserved in favor of individuals or legal entities meeting one of the following characteristics:

- executive employees or executive officers or members of the Company's management team who are not corporate officers, or
- members of the Board of Directors (including members of any research committee or those serving as censor) in office on the date of grant of the warrants, who are not executive officers of the Company or one of its subsidiaries, or
- consultants, managers or partners of companies providing services to the Company that have entered into a consulting or service agreement with the Company in force at the time of use of this delegation by the Board of Directors, or
- employees of the Company,

(together, the "**Beneficiaries**").

Pursuant to the provisions of Articles L.228-91 and L.225-132 of the French *Code de commerce*, this decision would entail in favor of the holders of BSA 2021, the waiver by the shareholders of their preemptive subscription right over the ordinary shares to which the BSA 2021 entitle them.

It would be decided that:

- the BSA 2021 would not be the subject of a request for admission to trading on any market. They would be transferable. They would be issued in registered form and would be registered in an account;
- the BSA 2021 must be exercised within ten (10) years of their issuance and those that have not been exercised at the end of this ten (10) year period would automatically become null and void;
- the issue price of a BSA 2021 would be determined by the Board of Directors on the date of issue of the said BSA 2021 according to the characteristics of the latter and would in any event be at least equal to 8% of the market value of a common share of the Company on the date of allocation of the BSA 2021. This market value corresponds to the volume-weighted average price of the last twenty (20) trading days preceding the date of grant of the BSA 2021 by the Board of Directors as long as the Company's shares are admitted to trading on the regulated market of Euronext Paris ;
- the issue price of the BSA 2021 must be paid up in full at the time of subscription, by cash settlement or by offsetting against liquid and due receivables;
- the issue price of one ordinary share to be subscribed for pursuant to the exercise of the BSA 2021 should be determined by the Board of Directors at the time of the grant of the BSA 2021 and shall be equal to the volume-weighted average share price of the last twenty (20) trading days preceding the date of grant

of the BSA 2021 by the Board of Directors as long as the Company's shares are admitted to trading on the regulated market of Euronext Paris (the "**Exercise Price**"); and

- the ordinary shares thus subscribed should be fully paid up at the time of their subscription, either by cash payment or by offsetting against liquid and payable debts.

In the event that the 2021 Warrants have not been fully exercised, the Company would proceed with one of the transactions mentioned below:

- issue of securities with preemptive subscription rights for shareholders; or
- capital increase by incorporation of reserves, profits or share premiums; or
- distribution of reserves in cash or securities,

the rights of the holders of the 2021 BSAs would be reserved under the conditions provided for in Article L.228-98 of the French *Code de commerce*.

The Company would be authorized to change its purpose, amortize its capital, modify the distribution of profits or distribute reserves in accordance with the provisions of Article L.228-98 of the French *Code de commerce*.

Pursuant to Article L.228-98 of the French *Code de Commerce*:

- in the event of a capital reduction motivated by losses through a reduction in the number of shares, the rights of the holders of the BSA 2021 as to the number of shares to be received upon exercise of the BSA 2021 would be reduced accordingly as if the said holders had been shareholders from the date of issue of the BSA 2021;
- in the event of a capital reduction motivated by losses through a reduction in the par value of the shares, the subscription price of the shares to which the BSA 2021 warrants entitle their holders would remain unchanged, with the issue premium being increased by the amount of the reduction in par value.

In addition:

- in the event of a capital reduction not motivated by losses by way of a reduction in the nominal value of the shares, the subscription price of the shares to which the BSA 2021 warrants entitle the holder would be reduced accordingly; and
- in the event of a capital reduction not motivated by losses through a reduction in the number of shares, holders of the 2021 stock warrants, if they exercise their BSA 2021, may request the repurchase of their shares under the same conditions as if they had been shareholders at the time of the Company's repurchase of its own shares.

The Company would be authorized to require holders of the 2021 BSAs to repurchase or redeem their rights as provided for in Article L. 228-102 of the French *Code de commerce*.

Lastly, we request that you grant full powers to the Board of Directors, with the right to subdelegate these powers in accordance with the law, to implement this delegation, and in particular to:

- to establish the list of beneficiaries among the persons fulfilling the characteristics specified above and to set the number of BSA 2021 allocated to each of them ;
- issue and allocate the BSA 2021 and set the subscription price, the exercise conditions and the final terms of the BSA 2021, in particular the exercise schedule and the cases of acceleration of the exercise conditions in accordance with the provisions of this resolution and within the limits set in this resolution;

- set the price of the common share that may be subscribed for upon exercise of a BSA 2021 under the aforementioned conditions;
- determine the dates and terms of the issue of ordinary shares to be carried out pursuant to this delegation of authority in accordance with the legal and statutory requirements;
