Dear Shareholder,

I am pleased to invite you to Inventiva's third shareholder meeting, which will take place in-person on May 19, 2022, at Hôtel Oceania Le Jura - 14 avenue Foch - 21000 Dijon, France.

In the context of the troubling geopolitical situation and the Covid-19 crisis, which continued to mark our lives and our business in 2021, we want to take this opportunity to take stock of the progress achieved in both our clinical pipeline and financial situation.

Despite the Covid-19 pandemic, which has continued to impact our global activities, we have continued to make strong progress in the development activities for lanifibranor, our lead product candidate for the treatment of patients with Non-Alcoholic SteatoHepatitis (NASH), as well as cediogant, a product candidate being developed by our partner AbbVie for the treatment of patients with psoriasis. Indeed, 2021 was marked by the initiation of our highly anticipated Phase III clinical trial in NASH, with the opening of the first clinical sites in the United States and the start of patient screening. This initiation represents a major milestone in the development of lanifibranor for the treatment of NASH, a severe disease with no drugs currently approved. In addition AbbVie, one of the global leaders in the treatment of autoimmune disease, initiated a Phase IIb clinical trial evaluating cediogant for the treatment of psoriasis following the promising results observed in the Phase Ib clinical trial. The progress of the cediogant clinical trial is excellent news for Inventiva, as we are eligible to receive milestone payments upon achievement of milestones and sales royalties on cediogant sales, if approved and commercialized.

Inventiva also announced the design of LEGEND, a Phase II combination trial with lanifibranor and SGLT2 inhibitor empagliflozin in patients with NASH and type 2 diabetes, as well as the publication of our NATIVE Phase IIb clinical trial results in the prestigious *The New England Journal of Medicine*, further strengthening the legitimacy of lanifibranor as a potential key treatment for NASH.

In 2021, we opened our first subsidiary in the United States. We have also continued to reinforce our teams through the recruitment of highly talented professionals with solid track records and complementary profiles. Our recruitment efforts are aimed at strengthening our key departments and accelerating both the development of lanifibranor and our early-stage programs.

We have also expanded our financial position, through the implementation in August of an At-The-Market (ATM) program in the United States aimed at existing and new institutional investors for up to \$100 million aggregate gross sales proceeds. We raised approximately \$32 million in aggregate gross proceeds from the sales of our American Depositary Shares in

September and October 2021. Our cash position was further strengthened in January 2022 by the receipt of a €4 million milestone payment from AbbVie in connection with the initiation of the Phase IIb clinical trial for cedirogant.

While Inventiva remains focused on achieving our corporate objectives, we also recognize our growing responsibility to focus on environmental and socio-economic issues in order to grow a sustainable global company.

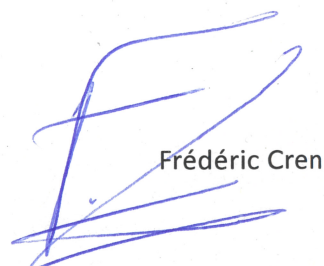

Supporting and giving back to our communities has always been of great importance to our company and our employees, and this year, as we witnessed the tragic aggression and war against Ukraine and its people, Inventiva donated to Red Cross and the UN Refugee Agency to provide urgent support to people forced to flee their homes. In addition, we have continued to support the communities close to us, including support to Apprentis d'Auteuil and Café Joyeux, which are respectively taking care of vulnerable young adults and their families and people with cognitive disabilities by providing them access to training and employment. The sustainability of our company also relies on our employees and Inventiva is committed to creating an inclusive and diverse workforce, and for the second year in a row we have reached 98/100 in the French Gender Equality Index

Finally, we believe it is important that we grow an environmentally responsible company and that we continue to support initiatives contributing to the preservation of the environment and our local biodiversity.

The progress made in our pipeline, including the important milestones achieved with lanifibranor and cedirogant, is the result of both your valuable support and our teams' dedication. I am delighted to share these positive outcomes with you and look forward to more exciting developments in 2022 including: the anticipated activation of first clinical sites for our planned LEGEND Phase IIa combination trial with lanifibranor, Last Patient First Visit of the NATiV3 Phase III clinical trial evaluating lanifibranor in NASH, and results from our Phase II clinical trial evaluating lanifibranor for the treatment of NAFLD in patients with type 2 diabetes.

Once again, I would like to take this opportunity to thank you for your continued trust in Inventiva.

Yours sincerely,

Frédéric Cren

AMF, to purchase, on one or more occasions and at the times it shall determine, a number of ordinary shares of the Company not to exceed 10% of the total number of shares comprising the share capital at any time.

This percentage applies to a number of shares adjusted, if necessary, to reflect transactions that may affect the share capital subsequent to this Meeting, and when shares are purchased to promote liquidity under the conditions defined by the General Regulations of the AMF, the number of shares taken into account for the calculation of the aforementioned 10% limit corresponds to the number of shares purchased, less the number of shares resold during the authorization period.

- determine the final amount of such capital reduction, set the terms and conditions thereof and record the completion thereof;
- charge the difference between the carrying amount of the cancelled ordinary shares and their nominal amount to all available reserves and premiums, including the legal reserve, up to a maximum of 10% of the cancelled capital;
- amend the bylaws accordingly; and
- carry out all formalities (in particular with the *Autorité des marchés financiers*), take all steps and make all declarations to all institutions and, in general, do all that is necessary.

5. **Decides** that the aforementioned delegation is granted for a period of 18 months as from the date of this General Shareholders' Meeting and terminates, with immediate effect, any previous delegation granted for the same purpose. It therefore supersedes the delegation granted by the Combined General Shareholders' Meeting dated April 16th, 2021 in its 15th resolution.

TWENTY-FIRST RESOLUTION (*Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to the share capital of the Company, immediately or in the future, with shareholders' preemptive subscription rights maintained*)

immediately or in the future, to ordinary shares to be issued by the Company, including through the free allocation of share subscription warrants, which may be subscribed for either in cash or by offsetting against claims, in the amount and at the times it deems appropriate.

2. Decides that the shareholders shall have, proportionally to the amount of their shares, preferential subscription rights over the ordinary shares and securities giving access to the share capital of the Company to be issued and that the Board of Directors may grant shareholders excess subscription rights for ordinary shares or securities issued, to be exercised in proportion to their subscription rights and within the limit of their requests.

If the subscriptions on an irreducible basis and, as the case may be, on a reducible basis, do not absorb the entire issuance of shares or securities giving access to the share capital of the Company pursuant to this resolution, the Board of Directors may use the options provided by Article L. 225-134 of the French *Code de commerce*, in the order of its choice, or only some of them, and in particular the limitations of the issuance to the amount of subscriptions received, provided that such amount reaches at least three-quarters of the issuance decided upon, or decides to offer to the public all or part of the securities not subscribed.

3. 8. Decides that the aforementioned delegation is granted for a period of 26 months as from the date of this General Shareholders' Meeting and terminates, with immediate effect, any previous delegation granted for the same purpose. It therefore supersedes the delegation granted by the General Shareholders' Meeting dated April 16th, 2021 in its 26th resolution.

THIRTY-THIRD RESOLUTION (Authorization to the Board of Directors to grant share subscription and/or share purchase options to corporate officers and employees of the Company or companies of the group, entailing the waiver by shareholders of their preferential rights to subscribe for shares issued following the exercise of stock options)

The General Shareholders' Meeting, voting under the rules of quorum and majority required for Extraordinary General Shareholders' Meetings, having reviewed the Board of Directors' Report and the Statutory Auditors' Special Report, duly noting that the share capital has been fully paid up, and acting pursuant to the provisions of Article L. 225-177 *and seq.* of the French *Code de commerce*,

1. Authorizes the Board of Directors to grant, on one or more occasions, share subscription or share purchase options to employees or corporate officers of the Company or French or foreign companies or groups related to it within the meaning of Article L.225-180 of the French *Code de commerce*, or certain categories of them.

2. Decides that the total number of options that may be granted under this resolution may not give entitlement to subscribe to or acquire a total number of shares representing more than 5% of the share capital on the date of the decision to subscribe to or acquire them granted by the Board of Directors, it being specified that the nominal amount of all capital increases that may be carried out pursuant to this resolution shall be deducted from the

overall ceiling of two hundred and sixty thousand euros (€260,000) set in paragraph 3 of the 21st resolution.

3. Resolves that the shares that may be obtained by exercising the share purchase options granted under this resolution shall be acquired by the Company, as the case may be, under the share buyback program covered by the 19th resolution above pursuant to Article L.22-10-62 of the French *Code de commerce* or any share buyback program previously or subsequently applicable.

4. Acknowledges that this resolution includes the waiver of the shareholders' preemptive subscription rights over ordinary shares of the Company shares to which any securities issued pursuant to this resolution may entitle them.

5. Decides that the exercise price of the options granted under this resolution will be set by the Board of Directors as follows:

- the exercise price of the share subscription option shall not be less than 80% of the average purchase price of the Company's shares on Euronext Paris regulated market during the twenty (20) trading sessions preceding the day on which the options are granted,
- in addition, the exercise price of the share purchase options shall not be less than 80% of the average purchase price of the shares held by the Company under the share buyback program authorized according to the 19th resolution submitted to this Meeting pursuant to Article L.22-10-62 of the French *Code de commerce* or any share buyback program previously or subsequently applicable.

6. Decides that the options granted must be exercised within a period of 10 years from the date of their grant by the Board of Directors.

7. Decides that the Board of Directors will have full authority, with the right to subdelegate under the conditions provided by French law, to implement this resolution, and in particular to:

- set, in accordance with legal conditions and limits, the dates on which the options will be granted;
- determine the list of beneficiaries, the number of options granted to each of them and the terms and conditions for granting and exercising of the options;
- set the conditions for exercising the options and, in particular, limit, restrict or prohibit (a) the exercise of the options (including, as the case may be, performance conditions to be met) or (b) the sale of the shares obtained by exercising the options, during certain periods or following certain events, and its decision may (i) relate to all or part of the options and (ii) concern all or part of the beneficiaries;
- decide the conditions under which the price and/or the number of shares to be subscribed or acquired will be adjusted in the cases provided for by French law; and
- more generally, enter into all agreements, draw up all documents, record capital increases following the exercise of the options, amend the bylaws accordingly if necessary, carry out all formalities and make all declarations to all authority and do all that would otherwise be necessary.

8. Decides that the aforementioned delegation is granted for a period of 38 months as from the date of this General Shareholders' Meeting and terminates, with immediate effect, any previous delegation granted for the same purpose. It therefore supersedes the delegation granted by the General Shareholders' Meeting dated April 16th, 2021 in its 27th resolution.

THIRTY-FOURTH RESOLUTION (*Delegation of authority to the Board of Directors to decide on the issue of share subscription warrants, without shareholders' preemptive subscription rights, to the benefit of categories of persons*)

The General Shareholders' Meeting, voting under the rules of quorum and majority required for Extraordinary General Shareholders' Meetings, having reviewed the report of the Board of Directors and the special report of the Statutory Auditors, and in accordance with the provisions of Article L. 225-138, L. 225-129-2, L. 228-91 and seq. of the French *Code de commerce*,

1. Delegates to the Board of Directors its authority to issue, on one or more occasions, a maximum number of six hundred thousand (600,000) ordinary share subscription warrants (the "**BSA 2022**"), without shareholders' preferential subscription right to the said BSA 2022, each BSA 2022 giving the right to subscribe for one ordinary share of the Company with a par value of 0.01 euro, i.e. within the limit of a maximum number of six hundred thousand (600,000) ordinary shares.

2. Decides, consequently, that the nominal amount of the capital increases likely to be carried out in the future pursuant to this delegation will correspond to the issue of six hundred thousand (600,000) ordinary shares with a nominal value of 0.01 euro, to which may be added the nominal amount of the shares to be issued in order to preserve the rights of the holders of the BSA 2022, if such reservation would be necessary, it being specified that this ceiling will be deducted from the global ceiling of two hundred sixty thousand euros (€260,000) set in paragraph 3 of the 21st resolution above.

3. Decides to cancel the shareholders' preferential subscription right to the BSA 2022 and to reserve the subscription of the said BSA 2022 in favor of natural or legal entities meeting one of the following :

- executive employees or executive officers or members of the Company's management team who are not corporate officers, or
- members of the Board of Directors (including members of any research committee or those serving as censor) in office on the date of grant of the warrants, who are not executive officers of the Company or one of its subsidiaries, or consultants, managers or partners of companies providing services to the Company that have entered into a consulting or service agreement with the Company in force at the time of use of this delegation by the Board of Directors, or
- employees of the Company,

(together, the "**Beneficiaries**").

4. Specifies that pursuant to the provisions of Articles L.228-91 and L.225-132 of the French *Code de commerce*, this decision entails, in favor of the holders of BSA 2022, the waiver by the shareholders of their preferential subscription right to the ordinary shares to which the BSA 2022 entitle them.

5. Decides that:

- the BSA 2022 will not be the subject of a request for admission to trading on any market. They will be transferable. They will be issued in registered form and will be registered in an account;
- the BSA 2022 must be exercised within ten (10) years of their issuance and those that have not been exercised at the end of this ten (10) year period will automatically become null and void;
- the issue price of a BSA 2022 will be determined by the Board of Directors on the date of issue of the said BSA 2022 according to the characteristics of the latter and will in any event be at least equal to 8% of the market value of a common share of the Company on the date of allocation of the BSA 2022. This market value corresponds to the volume-weighted average price of the last twenty (20) trading days preceding the date of grant of the BSA 2022 by the Board of Directors as long as the Company's shares are admitted to trading on the regulated market of Euronext Paris;
- the issue price of the BSA 2022 must be paid up in full at the time of subscription, by cash settlement or by offsetting against liquid and due receivables;
- the issue price of one ordinary share to be subscribed for pursuant to the exercise of the BSA 2022 shall be determined by the Board of Directors at the time of the grant of the BSA 2022 and shall be equal to the volume-weighted average share price of the last twenty (20) trading days preceding the date of grant of the BSA 2022 by the Board of Directors as long as the Company's shares are admitted to trading on the regulated market of Euronext Paris (the "**Exercise Price**"); and
- the ordinary shares thus subscribed shall be fully paid up at the time of their subscription, either by cash payment or by offsetting against liquid and payable debts.

6. Decides that in the event that, as long as the BSA 2022 have not been fully exercised, the Company will proceed with one of the transactions mentioned below:

- issue of securities with preferential subscription rights for shareholders; or
- capital increase by incorporation of reserves, profits or share premiums; or
- distribution of reserves in cash or securities,

the rights of the holders of the 2022 BSA would be reserved under the conditions provided for in Article L.228-98 of the French *Code de commerce*.

7. Authorizes the Company to change its purpose, amortize its capital, modify the distribution of profits or distribute reserves in accordance with the provisions of Article L.228-98 of the French *Code de commerce*.

8. Recalls that pursuant to Article L.228-98 of the French *Code de commerce*:

- in the event of a capital reduction motivated by losses through a reduction in the number of shares, the rights of the holders of the BSA 2022 as to the number of shares to be received upon exercise of the BSA 2022 will be reduced accordingly as if the said holders had been shareholders from the date of issue of the BSA 2022;
- in the event of a capital reduction motivated by losses through a reduction in the par value of the shares, the subscription price of the shares to which the BSA 2022 warrants entitle their holders will remain unchanged, with the issue premium being increased by the amount of the reduction in par value.

9. Decides that :

- in the event of a capital reduction not motivated by losses by way of a reduction in the nominal value of the shares, the subscription price of the shares to which the BSA 2022 warrants entitle the holder will be reduced accordingly; and
- in the event of a capital reduction not motivated by losses through a reduction in the number of shares, holders of the 2022 stock warrants, if they exercise their BSA 2022, may request the repurchase of their shares under the same conditions as if they had been shareholders at the time of the Company's repurchase of its own shares.

10. Authorizes the Company to require holders of the BSA 2022 to repurchase or redeem their rights as provided for in Article L.228-102 of the French *Code de commerce*.

11. Decides that the Board of Directors will have full authority, with the right to subdelegate under the conditions provided by French law, to implement this resolution, and in particular to:

- to establish the list of beneficiaries among the persons fulfilling the characteristics specified above and to set the number of BSA 2022 allocated to each of them;
- issue and allocate the BSA 2022 and set the subscription price, the exercise conditions and the final terms of the BSA 2022, in particular the exercise schedule and the cases of acceleration of the exercise conditions in accordance with the provisions of this resolution and within the limits set in this resolution;
- set the price of the common share that may be subscribed for upon exercise of a BSA 2022 under the aforementioned conditions;
- determine the dates and terms of the issue of ordinary shares to be carried out pursuant to this delegation of authority in accordance with the legal and statutory requirements;
- receive the subscription to the said BSA 2022 and record the completion of the definitive issue of the BSA 2022 under the conditions set out above and their allocation;
- record the number of ordinary shares issued following the exercise of the BSA 2022, carry out the formalities following the corresponding capital increases and make the corresponding amendments to the bylaws, and

have the ordinary shares thus issued admitted to trading on Euronext Paris regulated market, as the case may be;

- to take all measures to ensure the protection of the holders of the BSA 2022 in the event of a financial transaction concerning the Company, in accordance with the legal and regulatory provisions in force; and
- in general, to take any measure and carry out any formality useful to this issue.

12. Decides that the aforementioned delegation is granted for a period of 18 months as from the date of this General Shareholders' Meeting and terminates, with immediate effect, any previous delegation granted for the same purpose. It therefore supersedes the delegation granted by the General Shareholders' Meeting dated April 16th, 2021 in its 28th resolution.

The Board of Directors will inform the Shareholders' Meeting each year of the transactions carried out under this resolution.

THIRTY-FIFTH RESOLUTION (*Amendment of Article 15 of the Company's Articles of Association to allow for a staggered renewal of the Directors' mandates*)

Ordinary item

36. Power of attorney to accomplish the formalities.

We propose to examine hereafter each of the above proposals submitted for your approval.

1. APPROVAL OF BOTH THE STATUTORY AND CONSOLIDATED FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED DECEMBER 31ST, 2021 - APPROPRIATION OF PROFIT/LOSS - REVIEW OF THE RELATED-PARTY AGREEMENTS (FIRST TO FIFTH RESOLUTIONS)

You are invited to refer to the management report of the Boards of Directors and to the reports (general and special) of the Statutory Auditors, including the universal registration document, which includes the 2021 annual financial report, both made available under the conditions provided by laws and regulations.

Concerning the state of business since the beginning of the current fiscal year, once again, you are invited to refer to the management report of the Boards of Directors.

2. COMPENSATION OF CORPORATE OFFICERS (EX POST VOTES) FOR THE FISCAL YEAR ENDED DECEMBER 31ST, 2021 (SIXTH TO EIGHTH RESOLUTIONS)

The say on pay process regarding the compensation of corporate officers of listed companies implemented by the Act "Sapin II", as reformed by the ordinance No. 2019-1234 of November 27th, 2019 and the ordinance No. 2020-1142 of September 16th, 2020, provides that the annual ordinary general meeting is called to rule on:

an "individual" ex post vote: on the fixed, variable and exceptional items making up the total compensation and benefits of any kind paid or granted in respect of the previous fiscal year by separate resolutions for the Chairman / Chief Executive Officer and the Deputy Chief Executive Officer, and

a "general" ex post vote: on the information relating to the compensation of all corporate officers (including directors) mentioned in I of Article L. 22-10-9 of the French *Code de commerce* (general ex post vote) as presented in the corporate governance report.

You are therefore invited to refer (i) to section 3.5.1.5 of the corporate governance report included in the universal registration document, itself including the 2021 annual financial report, which presents the compensation paid or granted in respect of fiscal year 2021 to the Chairman / Chief Executive Officer and to the Deputy Chief Executive Officer, and (ii) to section 3.5.1.6 of the same report for information on the compensation of corporate officers mentioned in section I of article L. 22-10-9 of the French *Code de commerce*.

Will be subject to your approval:

as part of the individual *ex post* vote: the compensation paid or granted for the financial year 2021 to the Chairman / Chief Executive Officer and the Deputy Chief Executive Officer, as set out in 3.5.1.5 of the corporate governance report, and

in the context of the general *ex post* vote: the information on the compensation of corporate officers mentioned in I of Article L. 22-10-9 of the French *Code de commerce*, as set out in 3.5.1.6 of the corporate governance report.

3. APPROVAL OF THE COMPENSATION POLICIES FOR THE CHAIRMAN / CHIEF EXECUTIVE OFFICER, DEPUTY CHIEF EXECUTIVE OFFICER, AS WELL AS DIRECTORS (NINTH TO ELEVENTH RESOLUTIONS)

The say on pay process regarding the compensation of corporate officers implemented by the Act "Sapin II", as reformed by the ordinance No. 2019-1234 of November 27th, 2019 and the ordinance No. 2020-1142 of September 16th, 2020, also provides that the annual ordinary general meeting is called to vote *ex ante*, on the compensation policy applicable to all corporate officers, including the directors, and not only executive officer as it used to be the case.

The compensation policy, in its common aspects as well as in those aspects specific to each of the corporate officers and as determined by your Board of Directors, is described in sections 3.5.1.1 to 3.5.1.3 of the corporate governance report, included in the 2021 annual financial report, which is itself part of the universal registration document.

Three resolutions will therefore be submitted for your approval, concerning the compensation plan as applied, respectively, to the Chairman / Chief Executive Officer, the Deputy Chief Executive Officer and the Directors.

4. RATIFICATION OF THE APPOINTMENT (COOPTATION) OF MS. MARTINE ZIMMERMANN TO REPLACE A RESIGNING DIRECTOR (TWELFTH RESOLUTION)

The purpose of the twelfth resolution is to ratify, in accordance with the provisions of article L.225-24 of the French *Code de commerce*, the appointment by cooptation made, on a provisional basis, on April 16th, 2021, of Ms. Martine Zimmermann, to replace Ms. Nawal Ouzren, a resigning director, for the remaining duration of the latter's term of office, i.e., until the end of the present General Meeting.

5. RENEWAL OR REPLACEMENT OF THE EXPIRING DIRECTOR MANDATES (THIRTEENTH TO EIGHTEENTH RESOLUTIONS)

The terms as director of the Company of Sirs Frédéric Cren and Pierre Broqua, shareholders and co-founders of the Company, of the company CELL+, represented by Ms. Annick Schwebig, of the company Pienter-Jan BVBA, represented by Mr. Chris Buyse, as well as of Mr. Heinz Maeusli et and Ms. Martine Zimmermann are coming to an end after your General Meeting. Through the 13th, 14th, 16th, 17th and 18th resolutions, we invite you to renew the expiring terms as director of the Company of Sirs Frédéric Cren and Pierre Broqua, of the company CELL+, represented by Ms. Annick Schwebig, as well as of Mr. Heinz Maeusli et and Ms. Martine Zimmermann for another three years, ending after your annual ordinary general meeting called to rule on the financial statements for the fiscal year ended December 31st, 2024. Through the 15th resolution, we invite you to appoint, in replacement of the company Pienter-Jan BVBA, the company Sofia BV, a limited liability company under Belgian law, whose registered office is 21, Jozef Nellenslaan - 8301 Knokke-Heist (Belgium), registered in the Register of Legal Persons under company number 0465.580.402 and represented by Mr. Chris Buyse, as new director for a period

of three years, which will end after your annual ordinary general meeting called to rule on the financial statements for the fiscal year ended December 31st, 2024.

However, in order to enable your Company to comply with the recommendations of the Middelnext Governance Code, which provides for a staggered renewal of directors' terms of office, it is proposed to you, subject to your adopting the appropriate modification of the Articles of Association submitted for your approval under the 35th resolution, to reduce to two years the term of office as director of Ms. Martine Zimmerman and Mr. Heinz Maeusli.

6. AUTHORIZATION TO IMPLEMENT A SHARE REPURCHASE PLAN, AND CONCOMITANTLY TO AUTHORIZE THE BOARD TO REDUCE THE SHARE CAPITAL BY CANCELLING TREASURY SHARES (*NINETEENTH AND TWENTIETH RESOLUTIONS*)

We propose that you renew, in advance, the authorization granted to the Board of Directors, for a period of 18 months, by the ordinary and extraordinary general meeting of April 16th, 2021, in its 14th resolution, to implement a buyback program.

During previous fiscal years, this buyback program has been exclusively used within the framework of a liquidity agreement initially entered into with Oddo BHF (which was succeeded by an identical agreement with Kepler Cheuvreux), to meet the objective of allowing the liquidity of the Company's share through an investment services provider. The resolution that we submit to you aims at continuing the implementation of said liquidity agreement, within the limit of 10% of the shares composing the share capital, at any moment, the Board of Directors being able to lower this ceiling when implementing this resolution. The maximum purchase price by share (excluding fees and commissions) would be set at EUR forty (€40).

We also submit to your approval the authorization to be granted to the Board of Director to cancel, if applicable, the treasury shares obtained while implementing the share repurchase plan and to reduce the share capital correlatively.

Once again, this involves the anticipatory renewal of the authorization granted to the Board of Directors, for a period of 18 months, by the 15th resolution of the mixed general meeting of April 16th, 2021; to avoid having a period not covered by this authorization.

In all circumstances, the Company has currently no intention to cancel shares, its share repurchase plan being limited to the performance of the liquidity agreement.

7. FINANCIAL DELEGATIONS TO THE BOARD OF DIRECTORS (*TWENTY-FIRST TO THIRTY-FOURTH RESOLUTIONS*)

We propose that you renew, in advance, the current financial delegations granted to the Board of Directors by the extraordinary and ordinary general meeting dated April 16th, 2021. These delegations would give the Board of Directors the authority to carry out various transactions on the share capital and thus to give the Company the necessary flexibility and reactivity to strengthen its capital base by implementing various financing options, without having to consult again the shareholders' general meeting. The Company could thus have the necessary resources, as the case may be, by calling on markets in order to accelerate and complete its development programs.

In addition, given the level of liquidity observed during the past year on the Nasdaq in the biotechnological sector, the Board of Directors is proposing a new resolution aiming at extending the use of the ATM Program and thus providing itself with additional flexibility. This delegation and its use under the ATM Program, together with the envisaged discount, would enable the Company to broaden the number of investors likely to subscribe for the Company's shares, to implement a specific placement method and to have, here again, greater flexibility in the issue of shares and in the setting of the issue price of the securities.

You will read the reports prepared by the Statutory Auditor on these delegations and authorizations.

In this regard, we would like to point out that:

- The maximal global nominal amount of any share capital increase with shareholders' preemptive subscription rights that may be carried out pursuant to the delegation granted under the terms of the resolution 21 hereunder is set at 260,000 euros, corresponding to 26,000,000 shares, representing approximately 63,6% of the share capital as of April 5th, 2022.
- The maximal global nominal amount of any share capital increase without shareholders' preemptive subscription rights that may be carried out pursuant to the delegations granted under the terms of the resolutions 22, 23, 25, 26, 28 hereunder, is set at 230,000 euros (said cap would count towards the overall cap of 260,000 euros referred to above), corresponding to 23,000,000 shares, representing approximately 56,3% of the share capital as of April 5th, 2022.
- The maximal global nominal amount of any capital increase without shareholders' preemptive subscription rights that may be carried out pursuant to the delegation granted under the terms of the resolution 26 hereunder, is set at 150,000 euros (said cap would count towards the overall cap of 260,000 euros referred to above), corresponding to 15,000,000 shares, representing approximately 36.7% of the share capital as of April 5th, 2022.
- The maximum global nominal amount of any share capital increase that may be carried out pursuant to the delegation granted under the terms of the resolution 30 hereunder as regards the Company saving plan is set at 3,000 euros (said amount will count towards the overall cap of 260,000 euros referred to above), corresponding to 300,000 shares, representing approximately 0,73% of the share capital as of April 5th, 2022.
- The maximum global nominal amount of any share capital increase that may be carried out pursuant to the delegation granted under the terms of the resolution 31 hereunder as regards incorporation of reserves, profits or premiums, is set at 20,000 euros (said cap being independently fixed and distinct from the caps referred to above), corresponding to 2,000,000 shares, representing approximately 4,9% of the share capital as of April 5th, 2022.
- The maximum global nominal amount of debt securities that may be carried out pursuant to these delegations would be set at 150,000,000 euros.
- The delegations requested could not be used during the period of a public offering for the Company's shares.
- These delegations would put an end on the delegations, having the same object, granted previously,

All of these delegations would be granted for a period of twenty-six (26) months, with the exception of the delegations referred to in resolutions 25 and 26 (delegations for the purpose of increasing the share capital of the company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, reserved for certain specific categories of beneficiaries, without shareholders' preemptive subscription rights), which would be granted for a period of eighteen (18) months, as well as the delegation referred to in the resolution 29 (delegation for the purpose of increasing the share capital of the Company by issuance of ordinary shares or securities giving access to the share capital of the Company, immediately or in the future, in consideration for contributions in kind up to a maximum of 10% of the share capital, excluding the case of a public exchange offer initiated by the Company), which would be granted for a period of eighteen (18) months if used in the context of resolution 25 or resolution 26.

The Board of Directors would have full powers, with the right to subdelegate such powers in accordance with French law, to implement the delegations granted to it. Should the Board of Directors use the delegations of authority thus granted, it would report thereon to the following ordinary general meeting, in accordance with the law and regulations.

We therefore propose that you review hereinafter each of the delegations and authorizations that you are being asked to grant your Board of Directors.

7.1. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, with shareholders' preemptive subscription rights maintained, up to the global limit of 260,000 euros (TWENTY-FIRST RESOLUTION);

This delegation would grant the Board of Directors, with the right to sub-delegate under the conditions provided by French law, the authority to proceed with, one or more issuances, in France and/or abroad, in euros or in any other currency or currency units established by reference to several currencies, with maintenance of the shareholders' preemptive subscription rights, of ordinary shares of the Company and/or any securities giving access, immediately or in the future, to ordinary shares to be issued by the Company, including through the free allocation of share subscription warrants, which may be subscribed for either in cash or by offsetting against claims, in the amount and at the times it deems appropriate.

The shareholders shall have, proportionally to the amount of their shares, preemptive subscription rights over the ordinary shares and securities giving access to the share capital of the Company to be issued. The Board of Directors may grant shareholders excess subscription rights for ordinary shares or securities issued, to be exercised in proportion to their subscription rights and within the limit of their requests.

If the subscriptions on an irreducible basis and, as the case may be, on a reducible basis, do not absorb the entire issuance of shares or securities giving access to the share capital of the Company pursuant to this resolution, the Board of Directors may use the options provided by Article L. 225-134 of the French *Code de commerce*, in the order of its choice, or only some of them, and in particular the limitations of the issuance to the amount of subscriptions received, provided that such amount reaches at least three-quarters of the issuance decided upon, or decides to offer to the public all or part of the securities not subscribed.

The maximum nominal amount of the share capital increases that may be performed, pursuant to this resolution shall not exceed two hundred sixty thousand euros (EUR 260,000), consisting of 26,000,000 shares, representing approximately 63,6% of the share capital as of April 5th, 2022 and it being specified that the maximum nominal amount of the share capital increases that may be performed pursuant to this resolution and the resolutions 22 to 30 and 32 to 34 of this General Shareholders' Meeting, would be deducted from the common cap for capital increases that may be carried out under the resolutions presented to you. Added to this cap would be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

Securities giving access, immediately or in the future, to ordinary shares to be issued by the Company may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities. The debt securities issued pursuant to this resolution may take the form of subordinated or non-subordinated securities, for a fixed or indefinite term, and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The maximum nominal amount of such debt securities that may be issued pursuant to this resolution shall not exceed one hundred and fifty million euros (EUR 150,000,000) (or the counter-value of this amount in another currency or in any currency units established by reference to several currencies). This amount is a global cap which applies to all of the debt securities whose issuance is provided for pursuant to this resolution and resolutions 22 to 29 of this General Shareholders' Meeting. This cap is independent from the debt securities whose issuance would be decided or authorized by the Board of Directors pursuant to Article L. 228-40 of the French *Code de commerce*.

This resolution entails the waiver of the shareholders' preemptive subscription rights over the ordinary shares of the Company to which any securities issued pursuant to this resolution may entitle them.

The Board of Directors will have full authority, with the right to sub-delegate under the conditions provided by French law, to implement this resolution.

The aforementioned delegation would be granted for a period of 26 months and would terminate, with immediate effect, for the unused fraction, the delegation granted by the Combined General Shareholder's Meeting dated April 16th, 2021 in its resolution 16.

7.2. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, without shareholders' preemptive subscription rights, by way of public offerings, excluding offers referred to in Article L.411-2- 1° of the French *Code monétaire et financier* (TWENTY-SECOND RESOLUTION);

This delegation would grant the Board of Directors, with the right to sub-delegate under the conditions provided by French law, the authority to proceed with, one or more issuances, by way of public offerings, excluding offers referred to in article L. 411-2 1° of the French *Code de commerce*, in France and/or abroad, in euros or in any other currency or currency units established by reference to several currencies, without shareholders' preemptive subscription rights, of ordinary shares of the Company and/or securities giving access, immediately or in the future, to ordinary shares to be issued by the Company, in the amount and at the times it deems appropriate.

Public offerings, performed pursuant to this resolution, may be combined, within one or several simultaneous issuances, with offerings pursuant to the provisions of Article L. 411-2 1° of the French *Code monétaire et financier*.

The Board of Directors may grant shareholders a priority right to subscribe to as irreducible and/or reducible amounts, during a period and on the terms set by it for all or part of an issuance performed, pursuant to the provisions of Article L. 225-135 of the French *Code de commerce*. This priority right will be allocated in proportion to shareholders' existing interests in the share capital of the Company in accordance with applicable laws and regulations.

If subscriptions by shareholders do not absorb the entire issuance of ordinary shares or securities giving access to the share capital of the Company, the Board of Directors may use the options provided by Article L. 225-134 of the French *Code de commerce* in the order of its choice, or only some of them, and in particular the limitation of the issuance to the amount of subscriptions received, provided that such amount reaches at least three-quarters of the issuance decided upon.

The maximum nominal amount of the share capital increases that may be performed, pursuant to this resolution shall not exceed two hundred and thirty thousand euros (EUR 230,000), consisting of 23,000,000 shares, representing approximately 56,3% of the share capital as of April 5th, 2022, it being specified that this cap would count towards the overall cap of two hundred and sixty thousand euros (EUR 260,000) stipulated in paragraph 7.1 above. Added to those caps would be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities or other rights giving access to the share capital of the Company.

Securities giving access to ordinary shares to be issued by the Company may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities. The debt securities may take the form of subordinated or non-subordinated securities, for a fixed or indefinite term, and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The maximum nominal amount of such debt securities that may be issued pursuant to this resolution shall not exceed one hundred and fifty million euros (EUR 150,000,000) (or the counter-value of this amount in another currency or in any currency units established by reference to several currencies), it being specified that this amount would count towards the overall cap stipulated in paragraph 7.1 above. This cap is independent from the amount of debt securities whose issuance would be decided or authorized by the Board of Directors pursuant to Article L. 228-40 of the French *Code de commerce*.

This resolution entails the waiver of the shareholders' preemptive subscription rights over the ordinary shares of the Company to which any securities issued pursuant to this resolution may entitle them.

We remind you that the issue price of the shares and securities that may be issued pursuant to this delegation would be set by the Board of Directors, in accordance with the provisions of Article L. 225-136-1° and Article R. 225-119 of the French *Code de Commerce* (as an indication on the date of this General Meeting, the issue price of the shares would be at least equal to the volume-weighted average price of the shares of the Company over the last three (3) trading days on the regulated market of Euronext Paris preceding the start of the public offering within the meaning of EU Regulation 2017/1129 of 14 June 2017, as the case may be, less the maximum discount permitted by law, currently 10%, it being specified that the issue price of the securities giving access to ordinary shares will at least be equal to the amount received immediately by the Company, plus any amount likely to be received later by the Company, where applicable, *i.e.* for each ordinary share issued as a result of these securities being issued, at least equal to the amount mentioned above).

Full powers would be granted to the Board of Directors, with the right to subdelegate such powers in accordance with the law, for implementing this resolution.

The delegation presented would be granted for a period of 26 months and would terminate, with immediate effect, the unused portion of the delegation granted by the Combined General Meeting of April 16th, 2021 in its 17th resolution.

7.3. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, without shareholders' preemptive subscription rights, by way of public offerings referred to in Article L.411-2 1° of the French *Code monétaire et financier* (TWENTY-THIRD RESOLUTION);

This delegation is in all respects identical to the delegation described in the paragraph above, with the difference that the issues decided pursuant to this delegation would be carried out in the context of an offer to qualified investors or a restricted circle of investors referred to in 1° of Article L. 411-2 of the French *Code monétaire et financier*, it being specified that the total nominal amount of the share capital increases that may be carried out pursuant to this delegation may not exceed EUR 230,000 (representing 23,000,000 shares or 56,3% of the share capital as at April 5th, 2022), nor, in any event, exceed the maximum amount set by the regulations in force on the date of issue (*i.e.*, for information purposes, as at the date of this General Meeting, 20% of the share capital per year as assessed on the date the delegation is implemented by the Board of Directors), maximum amount to which would be added, where applicable, the additional amount of shares to be issued to preserve, in accordance with the law and, where applicable, contractual stipulations providing for other cases of adjustment, the rights of holders of securities and other rights giving access to ordinary shares, it being specified, on the one hand, that this cap will count towards the cap of EUR 230,000 ceiling stipulated in point 7.2 above and would be deducted from the latter on the other hand, that the maximum nominal amount of the share capital increases that may be performed pursuant to this resolution will count towards the overall cap of EUR 260,000 stipulated in point 7.1 above.

Securities giving access to ordinary shares to be issued by the Company may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities, and that the debt securities issued pursuant to this resolution may take the form of subordinated or non-subordinated securities, for a fixed or indefinite term and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The total nominal amount of debt securities that may be issued under this delegation may not exceed EUR 100,000,000 (or the equivalent of this amount in foreign in any other currency or currency units established by reference to several currencies), this amount being included in the global ceiling of EUR 230,000 stipulated in point 7.2 above.

We remind you that the issue price of the shares and securities that may be issued pursuant to this delegation would be set by the Board of Directors, in accordance with the provisions of Article L. 225-136-1° and Article R. 225-119 of the French *Code de Commerce* (as an indication on the date of this General Meeting, the issue price of the shares would be at least equal to the volume-weighted average price of the shares of the Company over the last three (3) trading days on the regulated market of Euronext Paris preceding the start of the public offering within the meaning of EU Regulation 2017/1129 of 14 June 2017, as the case may be, less the maximum discount

permitted by law, currently 10%, it being specified that the issue price of the securities giving access to ordinary shares will at least be equal to the amount received immediately by the Company, plus any amount likely to be received later by the Company, where applicable, *i.e.* for each ordinary share issued as a result of these securities being issued, at least equal to the amount mentioned above).

Full powers would be granted to the Board of Directors, with the right to subdelegate such powers in accordance with the law, for implementing this resolution.

This delegation would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the delegation granted by the Combined General Meeting of April 16th, 2021 in its 18th resolution.

7.4. Authorization to the Board of Directors to set the issuance price on the capital increases by way of public offerings, without shareholders' preemptive rights, pursuant to the terms and conditions set by the General Shareholders' Meeting, and up to the limit of 10% of the share capital (TWENTY-FOURTH RESOLUTION);

We ask you to authorize your Board of Directors, with the right to subdelegate under the conditions provided for by law, for each of the issues decided under the delegations granted in 22nd and 23rd resolutions, and up to a limit of 10% of the Company's share capital (as existing on the date of the transaction) per 12-month period, to depart from the conditions for setting the issuance prices provided for in the aforementioned resolutions and to set the issuance price of the ordinary shares and/or securities giving access to the share capital of the Company to be issued according to the following terms and conditions:

- (i) the issuance price of the ordinary shares will at least be equal to either:
 - the volume-weighted average price of the share of the Company on the regulated market of Euronext Paris during the last trading session preceding the pricing date, or
 - the volume-weighted average price of the share of the Company on the regulated market of Euronext Paris over three consecutive trading days, chosen from the 30 trading days preceding the pricing date;which may be reduced by a maximum discount of 15% and the Board of Directors may freely use any of the two formulas set forth above; and
- (ii) the issuance price of the securities to be issued pursuant to this resolution, other than ordinary shares of the Company, will at least be equal to an amount such that the amount received immediately by the Company, plus any amount likely to be received later by the Company, where applicable, *i.e.* for each ordinary share issued as a result of these securities being issued, is at least equal to the amount mentioned in the paragraph (i) above.

Full powers would be granted to the Board of Directors to implement this resolution.

This authorization would give the Board greater flexibility to determine the pricing terms and conditions based on market opportunities and investor demand.

This authorization would be granted, with the right to subdelegate, for a period of 26 months and would terminate, with immediate effect, for the unused portion of the authorization granted by the Combined General Meeting of April 16th, 2021 in its 19th resolution.

7.5. Delegation of authority to the Board of Directors to increase the share capital of the company by issuance of ordinary shares or securities giving access to ordinary shares of the Company, immediately or in the future, reserved for certain specific categories of beneficiaries, without shareholders' preemptive subscription rights (TWENTY-FIFTH RESOLUTION);

This delegation would enable the Board to proceed with, with the right to subdelegate under the conditions provided for by law, in France or abroad, one or more issuances, in the amount and at the times it deems appropriate, in France and/or abroad, in euros or in any other currency or currency unit established by reference to several currencies, without shareholders' preemptive subscription rights, for the benefit of certain specific

categories of beneficiaries, of ordinary shares of the Company and/or securities giving access, immediately and/or in the future, to ordinary shares to be issued by the Company, with cancellation of shareholders' preemptive subscription right in favor of categories of beneficiaries with one of the following characteristics:

- (i) natural or legal persons (including companies) trusts or investment funds, or other investment vehicles, in any form, established under French or foreign law, which regularly invest in the pharmaceutical, biotechnological or medical technology sectors; and/or
- (ii) companies, institutions or entities, in any form, French or foreign, exercising a significant part of its activities in the pharmaceutical, cosmetic or chemical sectors, or medical devices and/or technologies, or researching in such sectors; and/or
- (iii) French or foreign investment services companies, or any foreign establishment having an equivalent status, able to guarantee the completion of an issue intended to be placed with the persons referred to in (i) and/or (ii) above, and, in this context, to subscribe to the securities that are being issued.

The sole purpose of the latter paragraph is to enable investment service providers who are likely to guarantee the realization of an issue intended to be placed with the persons referred to in the first two paragraphs to subscribe to the securities issued in the event that the guarantee is activated.

The total nominal amount of the share capital increases that may be carried out pursuant to this delegation may not exceed EUR 230,000, which represents 23,000,000 shares, i.e. 56,3% of the share capital as of April 5th, 2022, it being specified, firstly, that this ceiling would count towards the overall cap of EUR 230,000 stipulated in point 7.2 above and would be deducted from the latter and, secondly, that the nominal amount of the capital increases likely to result from this resolution would be deducted from the overall cap of EUR 260,000 stipulated in point 7.1 above. Added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

The total nominal amount of the debt securities that may be issued under this delegation may not exceed EUR 150,000,000 (or the equivalent of this amount in foreign in any other currency or currency units established by reference to several currencies), this amount being included in the overall cap stipulated in point 7.1 above.

If the subscriptions have not fully absorbed an issue of shares or securities giving access to the capital issued pursuant to this resolution, the Board of Directors may limit the issue to the amount of subscriptions provided that this amount reaches at least three-quarters of the issue decided.

The issuance price of the ordinary shares and securities to be issued pursuant to this resolution will be determined by the Board of Directors, with the right to subdelegate under the conditions provided by French law, pursuant to Articles L. 225-138 II of the French *Code de commerce*, and will at least be equal:

- (i) for the ordinary shares, either to:
 - the volume-weighted average price of the share of the Company on the regulated market of Euronext Paris for the last trading session preceding the pricing, or
 - the volume-weighted average price of the share of the Company on the regulated market of Euronext Paris over three consecutive trading days, chosen from the 30 trading days preceding the pricing date;which may be reduced by maximum discount of 15% and the Board of Directors may freely use any of the two formulas set forth above, and
- (ii) for the securities to be issued pursuant to this resolution, other than ordinary shares of the Company, to an amount such that the amount received immediately by the Company, plus any amount likely to be received later by the Company, where applicable, i.e. for each ordinary share issued as a result of these securities being issued, is at least equal to the amount mentioned in paragraph (i) above.

Full powers would be granted to the Board of Directors to implement this resolution.

This delegation, together with the proposed discount, would enable the Company to call on specialist investors and, once again, give it greater flexibility in raising funds in the form of equity securities (ordinary shares represented or not by ADS and securities giving access to capital) necessary to finance its activity.

Lastly, this resolution may be used for issuances reserved for specialized investors falling within the above-mentioned categories in particular following solicitations by such investors to the Company or the Sales Agent (so-called "reverse inquiries"), within the framework of the equity financing At the market program ("the **ATM Program**") set up by the Company on the US market and registered with the Securities Commission Exchange (the "**SEC**") by the Company in August 2021 and which was first used in September 2021.

It is reminded that the shareholders may take cognizance of the ATM Program and of its use by consulting the Company's website.

This delegation would be granted for a period of 18 months and would terminate, with immediate effect, for the unused portion of the delegation granted by the Combined General Meeting of April 16th, 2021 in its 20th resolution.

7.6. Delegation of authority to the Board of Directors to increase the share capital of the company by issuance of ordinary shares or securities giving access to the share capital of the Company, immediately or in the future, reserved for certain specific categories of beneficiaries meeting specific characteristics within the framework of an equity financing agreement on the US market called "At-the-market" or "ATM", without shareholders' preemptive subscription rights (TWENTY-SIXTH RESOLUTION)

This resolution would enable the Board of Directors to carry out, with the right to subdelegate under the conditions provided for by law its authority to proceed, on one or more occasions, in France or abroad, in the proportions and at the times it deems appropriate, to the issue, in euros or in foreign currency, or in any other monetary unit established by reference to several currencies, without shareholders' preemptive subscription rights, of ordinary shares of the Company in the form of American Depositary Shares or American Depositary Receipts, reserved for the following category of beneficiaries :

- (i) any French or foreign credit institution or investment service provider, or any foreign institution with an equivalent status, intervening within the framework of an ATM program set up by the Company (or any similar equity financing program that replaces it) and providing, in this context, for the subscription of securities issued by the Company.

This new authorization is intended to allow the extension of the ATM Program, set up by the Company in August 2021, to investment transactions carried out by the bank in charge of the ATM Program (or "Sales Agent"), of new shares in the form of ADSs sold directly on the US market, according to the trading procedures market (an investment technique known as "dribble out").

Such sales would be made at the market price, in as many transactions as necessary, during one or more trading days, at the request of the Company, within the limit of the overall amount, the duration and the minimum price indicated by the Company to the Sales Agent and within the limits provided for in this resolution.

The use of this resolution, which remains subject to obtaining the necessary regulatory approvals, would allow the Company to issue to the Sales Agent the number of shares sold by the latter during the envisaged period (for instance, one trading day), at a subscription price corresponding to their weighted average price on the market. The Company retains full control over the activation or deactivation of the ATM Program, including during its execution.

The total nominal amount of the share capital increases that may be carried out pursuant to this delegation may not exceed 150,000 euros, which represents 15,000,000 shares, i.e. 36.70 % of the share capital as of April 5th, 2022), it being specified, firstly, that this cap will count towards the cap of EUR 230,000 stipulated to in point 7.2 above and would be deducted from the latter and, secondly, that the nominal amount of the capital increases that may result from this resolution would be deducted from the overall cap of EUR 230,000 referred to in point 7.1 above.

Furthermore, the issues carried out under the ATM Program, in the form of "reverse enquiries" (under the 25th resolution) as well as "dribble outs" (under the present resolution) are not subject to a Prospectus and therefore remain limited to the legal constraint of 20% of the share capital per 12-month period (cumulatively with the other eligible issues that would be carried out by the Company, if any) assessed on the date of implementation of the delegation by the Board of Directors in accordance with point 5 of Article 1 of Regulation (EU) 2017/1129 dated June 14th, 2017.

Should subscriptions not absorb the entire issue of shares or securities giving access to the capital issued pursuant to this resolution, the Board of Directors may limit the issue to the amount of subscriptions, provided that this amount reaches at least three-quarters of the issue decided.

The issue price of the ordinary shares to be issued under this resolution shall be set by the Board of Directors, with the right to sub delegate under the conditions provided for by law, in accordance with the provisions of Articles L. 225-138 II of the French Commercial Code, and shall be at least equal to:

- either the volume-weighted average price of the Company's shares on the regulated market of Euronext Paris during the last trading session preceding the pricing date; or
- or the volume-weighted average price of the Company's shares on the regulated market of Euronext Paris over three consecutive trading days, chosen among the last 30 trading days preceding the pricing date;

which may be reduced by maximum discount of 15% and the Board of Directors may freely use any of the two formulas set forth above.

All powers would be granted to the Board of Directors to implement this resolution.

This delegation would be granted for a period of 18 months.

7.7. Authorization to the Board of Directors to increase the number of securities to be issued as part of share capital increases with or without shareholders' preemptive subscription rights (TWENTY-SEVENTH RESOLUTION);

We ask you to authorize your Board of Directors, with the right to subdelegate under the conditions provided by law, for each of the issues decided pursuant to 20th to 22nd and 24th to 26th resolutions above, to decide, within the periods and limits provided for by the law and regulations applicable on the date of the relevant issue (on the date of this meeting, within thirty (30) days following the closing of the subscription, up to a maximum of fifteen percent (15%) of the initial issuance and at the same price as the initial issuance), to increase the number of shares to be issued as part of share capital increases within the ceiling provided for in the resolution pursuant to which the issue is decided upon.

This authorization would notably enable the Board to provide for an additional capital increase, if necessary, to facilitate any over-allotments and stabilization measures on the Company's share price.

This authorization would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the authorization granted by the Combined General Meeting of April 16th, 2021 in its 21st resolution. By exception, the present delegation would be granted for a period of 18 months as regards the 25th and 26th resolutions.

7.8. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares and securities giving access to the share capital of the Company, immediately or in the future, as part of a public exchange offer initiated by the Company (TWENTY-EIGHTH RESOLUTION);

We suggest you, in accordance, in particular, with the provisions of Articles L. 225-129-2 and 22-10-54 of the French *Code de commerce*, to delegate to the Board of Directors, with the right to subdelegate under the conditions provided by law, the authority to proceed with, one or more issuances, in France and/or abroad, in euros or in any other currency or currency units established by reference to several currencies, of ordinary shares of the Company and/or securities giving access, immediately and/or in the future, to ordinary shares to be issued by the Company, in consideration for the securities contributed to a public exchange offer including an exchange component (on a

principal or subsidiary basis) initiated by the Company, in France and/or abroad, in accordance with local regulations on the securities of a company whose shares are admitted to trading on one of the regulated markets listed in Article L. 22-10-54 of the French *Code de commerce*, with cancellation of shareholders' preemptive subscription rights over these shares and/or securities to be issued in favor of the holders of such securities.

The total nominal amount of the share capital increases that may be carried out pursuant to this delegation may not exceed EUR 230,000 (which represents 23,000,000 shares, i.e. 56,3% of the share capital as of April 5th, 2022), it being specified that this cap will count towards the cap of EUR 230,000 stipulated to in point 7.2 above and would be deducted from the latter and, secondly, that the nominal amount of the capital increases that may result from this resolution would be deducted from the overall cap of EUR 230,000 referred to in point 7.1 above. Added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

Securities giving access to ordinary shares to be issued by the Company may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities, and that the debt securities issued pursuant to this resolution may take the form of subordinated or non-subordinated securities with a fixed or indefinite term and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The total nominal amount of the debt securities that may be issued under this delegation may not exceed EUR 150,000,000 (or the counter-value of this amount in another currency or in any currency units established by reference to several currencies), it being specified that this amount would be deducted from the overall cap stipulated in section 7.1 above, it being specified that this amount does not include the redemption premium(s) above par, if any. It would be independent from the debt securities whose issue would be decided on or authorized by the Board of Directors in accordance with Article L. 228-40 of the French *Code de commerce*.

This delegation would entail a waiver of the shareholders' preemptive subscription rights over ordinary shares of the Company to which any securities issued pursuant to this resolution may entitle them.

All powers would be granted to the Board of Directors, with the option of sub-delegation, to implement this resolution.

This delegation would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the delegation granted by the Combined General Meeting of April 16th, 2021 in its 22nd resolution.

7.9. Delegation of authority to the Board of Directors to increase the share capital of the Company by issuance of ordinary shares or securities giving access to the share capital of the Company, immediately or in the future, in consideration for contributions in kind up to a maximum of 10% of the share capital, excluding the case of a public exchange offer initiated by the Company (TWENTY-NINTH RESOLUTION);

We suggest you, in accordance, in particular, with the provisions of Articles L. 225-129-2 and 225-147 of the French *Code de commerce*, to delegate to the Board of Directors, with the right to subdelegate under the conditions provided by law, the authority to proceed, on the basis of the report of the Contribution Auditor(s), with, one or more issuances, in France and/or abroad, in euros or in any other currency or currency units established by reference to several currencies, of ordinary shares of the Company and/or securities giving access, immediately and/or in the future, to ordinary shares to be issued by the Company, in order to remunerate contributions in kind granted to the Company and consisting of equity securities or securities giving access to the share capital, when the provisions of Article L. 22-10-54 of the French *Code de commerce* are not applicable, for example in connection with the acquisition of assets.

The securities so issued may notably consist of debt securities or be associated with the issuance of such securities, or allow their issuance as intermediate securities, and that the debt securities issued pursuant to this resolution may take the form of subordinated or non-subordinated securities with a fixed or indefinite term and be issued in euros, or in any other currency or currency units established by reference to several currencies.

The total nominal amount of the share capital increases that may be carried out under this delegation may not exceed the legal limit of 10% of the Company's share capital (as existing on the date of the transaction), it being specified, firstly, that this cap would be common to the cap of EUR 230,000 set in point 7.2 above, and would be deducted from the latter, and, secondly, that the nominal amount of the capital increases that may result from this resolution would count towards the overall cap of EUR 260,000 stipulated in point 7.1 above. Added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

The total maximum nominal amount of debt securities that may be issued pursuant to this resolution shall not exceed EUR 150,000,000 (or the counter-value of this amount in another currency or in any currency units established by reference to several currencies), this amount being deducted from the overall ceiling referred to in point 7.1 above, it being specified that this amount does not include the redemption premium(s) above par, if any. This cap is independent from the debt securities whose issuance would be decided on or authorized by the Board of Directors in accordance with Article L. 228-40 of the French *Code de commerce*.

Full powers would be granted to the Board of Directors, with the right to subdelegate, to implement this resolution.

This delegation would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the delegation granted by the Combined General Meeting of April 16th, 2021 in its 23rd resolution.

7.10. Delegation of authority to the Board of Directors to increase the share capital reserved for employees of the Company (THIRTIETH RESOLUTION);

We remind you that pursuant to Article L. 225-129-6 of the French *Code de commerce*, when making any decision to increase the share capital, the Extraordinary Shareholders' Meeting must vote on a draft resolution to carry out a capital increase reserved for employees under the conditions provided for in Articles L. 3332-18 et seq. of the French *Code du Travail*, i.e. those who are members of a company savings plan (*Plan d'Épargne d'Entreprise*).

Under these conditions, we are submitting to you a resolution to delegate to the Board of Directors, with the right to subdelegate under the conditions provided by law, the powers of the Extraordinary General Meeting to carry out a capital increase, on one or more occasions, in the proportions and at the times it deems appropriate, based on its deliberations alone, within a period of twenty-six (26) months from the date of this meeting, up to a maximum nominal amount of EUR 3,000, by issuing 300,000 shares, to be paid up in cash, with cancellation of the shareholders' preemptive subscription right over cash shares to be issued to the *Fonds Commun de Placement d'Entreprise* to be set up as part of a Company Savings Plan to be created, in the event of completion of the capital increase(s) provided for above.

The nominal amount of the capital increases that may result from this resolution would be deducted from the overall ceiling of EUR 260,000 stipulated in 7.1 above. Added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

We remind you, however, that there is no company savings plan in existence now to which our Company's employees could subscribe and that the Company has always favored employee access to its capital through its policy of directly granting securities giving access to the capital.

We would like to inform you that we are not in favor of such an authorization as we believe that the proposal to set up free share allocation plans that have been submitted to you in advance are more in line with the Company's current social policy, which is designed to strengthen the direct participation of the Company's employees in its capital.

This authorization would be granted for a period of 26 months and would terminate, with immediate effect, for the unused portion of the authorization granted by the Combined General Meeting of April 16th, 2021 in its 24th resolution.

7.11. Delegation of authority to the Board of Directors to increase the share capital of the Company by incorporating reserves, profits or premiums (THIRTY-FIRST RESOLUTION);

We suggest you, in accordance, in particular, with the provisions of Articles L. 225-129-2 and L. 225-130 of the French *Code de commerce*, to delegate to the Board of Directors, with the right to subdelegate under the conditions provided by law, the authority to proceed with, one or more issuances, in the amount and at the times it deems appropriate, by incorporation, successive or simultaneous, into the share capital of reserves, profits, premiums or any other sums whose capitalization may be allowed, to be realized by increasing the par value of existing ordinary share and/or by granting new ordinary shares free of charge.

The total nominal amount of the capital increases that may be carried out under this delegation may not exceed EUR 20,000, it being specified that this cap is set independently and separately from the caps for share capital increases resulting from issuances of ordinary shares or securities authorized by the other resolutions submitted to this Meeting and stipulated to in points 7.1 and 7.2 above, by the resolutions adopted, and still in force, at any previous General Meeting, and that added to those caps will be, as the case may be, the aggregate par value of any additional shares to be issued in order to preserve, in accordance with applicable laws and regulations, and, as the case may be, other contractual provisions that provide for other cases of adjustment, the rights of holders of securities giving access to the share capital of the Company.

This authorization would be granted for a period of 26 months, with the option of sub-delegation, and would terminate, with immediate effect, for the unused portion of the authorization granted by the Combined General Meeting of April 16th, 2021 in its 25th resolution.

8. DELEGATIONS AND AUTHORIZATIONS TO THE BOARD OF DIRECTORS WITHIN THE FRAMEWORK OF THE INTEREST POLICY FOR CORPORATE OFFICERS AND EMPLOYEES OF THE COMPANY (THIRTY-SECOND TO THIRTY-FOURTH RESOLUTIONS);

As part of its remuneration and motivational policy for its employees, consultants and certain (mostly independent) members of the Board of Directors, the Company has since 2013 implemented successive plans to grant warrants to entrepreneurs, free shares, stock options and share warrants.

The plans have benefited all of the Company's employees. As at 11 March 2022, the date of registration of the Universal Registration Document, all dilutive instruments allocated or subscribed for and not yet exercised under these plans represented 1.501.800 shares, representing a potential dilution of approximately 3.67 % of the share capital.

In this context, the Company's Board of Directors, anxious to be able to continue to motivate and retain the Company's employees and managers, the members of the Company's Board of Directors and their consultants, in line with the interests of the shareholders, wished to continue in 2022 the system of granting stock options, the free allocation of shares, the issue of share warrants and the allocation of warrants for business creator shares, in accordance with good governance practices. In this respect, as with the financial delegations, it is proposed that you renew, in advance, the authorization granted to the Board of Directors for the issue of share warrants for a period of 18 months, by the Combined General Meeting of April 16th, 2021 in its 28th resolution. You are also being asked to renew, in advance, the authorizations granted to the Board of Directors for the allocation of free shares and the granting of stock options, for a period of 38 months, by the Combined General Meeting of April 16th, 2021 in its 26th and 27th resolutions.

We inform you that the nominal amount of the capital increases resulting from the exercise of share subscription options and/or the free allocation of shares that may be granted under the terms of resolutions 32 and 33 submitted for your approval may not exceed a number of shares representing more than 5% of the share capital on the date of the Board of Directors' decision to grant them, it being specified that the nominal amount of any capital increases that may be carried out pursuant to these resolutions would be deducted from the overall ceiling of 260,000 euros set in point 7.1 above.

In addition the nominal amount of the capital increases resulting from the exercise of the share subscription warrants that may be granted under the terms of resolution 34 submitted for your approval, may not exceed a maximum amount of EUR 6,000, representing a maximum of 600,000 shares, corresponding to a maximum dilution percentage of 1.46 % in relation to the Company's share capital at April 5th, 2022.

These percentages do not take into account the nominal value of the equity securities to be issued, if any, in respect of adjustments made in accordance with the law and, where applicable, contractual stipulations providing for other cases of adjustment.

The authorization to grant stock options and/or free shares would be granted for a period of 38 months from the date of this General Meeting. The early renewal of the authorization to issue and grant share warrants would be granted for a period of 18 months from the date of this General Meeting.

The Board of Directors would have full powers to implement the authorisations thus granted to it.

In the event that the Board of Directors were to use these delegations of authority, it would report to the next Ordinary General Meeting on the transactions carried out under these authorisations, in accordance with the law and regulations.

Please note that these authorisations may not be used during a public offer for the Company's shares.

We suggest that you review each of the authorisations that we are asking you to grant your Board of Directors. For each of these authorisations, you will hear a reading of the statutory auditors' report.

8.1. Authorization to the Board of Directors to grant free shares to employees and/or certain corporate officers (*THIRTY-SECOND RESOLUTION*);

We suggest that you authorize your Board of Directors to proceed with, on one or more occasions, the allocation of free ordinary shares of the Company, existing or to be issued, to the benefit of:

- employees of the Company or of companies directly or indirectly related to it, to the within the meaning of Article L.225-197-2 of the French Code de commerce, and/or
- corporate officers who meet the conditions set out in Article L.225-197-1, II of the French Code de commerce,

The total number of free shares granted may not exceed 5% of the share capital on the date of the grant decision by the Board of Directors, it being specified that the nominal amount of any capital increases that may be carried out pursuant to this resolution would be deducted from the overall ceiling of EUR 260,000 set in point 7.1 above.

8.2. Authorization to the Board of Directors to grant share subscriptions and/or share purchase options to corporate officers and employees of the Company (*THIRTY-THIRD RESOLUTION*);

We therefore ask you to authorize the Board of Directors to grant, for a period of 38 months, on one or more occasions, options to subscribe for or purchase shares in the Company, under the following conditions:

- the total number of options that may be granted may not entitle the holder to subscribe for or acquire a total number of shares representing more than 5% of the share capital on the date of the decision to grant them by the Board of Directors, it being specified that the nominal amount of any capital increases that may be carried out pursuant to this resolution would be deducted from the overall ceiling of 260,000 euros set in point 7.1 above;
- the options would be granted to members of the salaried employees and/or corporate officers (or some of them) of the Company and of companies and economic interest groups linked to the Company under the conditions defined in Article L. 225-180-I of the French *Code de commerce*;
- the shares that may be obtained through the exercise of stock options should be acquired by the Company, either under Article L. 225-208 of the French *Code de commerce* or, as the case may be, under the share buyback program referred to in Resolution 19 above, pursuant to Article L. 225-209 of the French *Code de commerce*, or under any share buyback program applicable prior or subsequent to the date of this resolution;
- the exercise price of the options granted under this resolution would be set by the Board of Directors as follows:

- in the case of options to subscribe for new ordinary shares, the exercise price of the share subscription option shall not be less than 80% of the average purchase price of the Company's shares on Euronext Paris regulated market during the twenty (20) trading sessions preceding the day on which the options are granted,
- in the case of options to purchase existing shares, the exercise price of the share purchase options shall not be less than 80% of the average purchase price of the shares held by the Company pursuant to Article L. 225-208 of the French *Code de commerce*, or, as the case may be, under the share buyback program authorized according to the 19th resolution submitted to this Meeting pursuant to Article L. 225-209 of the French *Code de commerce* or any share buyback program previously or subsequently applicable.

each option should be exercised at the latest within 10 years from the date of their grant by the Board of Directors.

8.3. Delegation of authority to the Board of Directors to decide on the issue of ordinary share subscription warrants, without shareholders' preemptive subscription rights, to the benefit of categories of persons (THIRTY-FOURTH RESOLUTION);

We suggest that you delegate to the Board of Directors the authority to issue, on one or more occasions, a maximum number of 600,000 ordinary share subscription warrants (the "**BSA 2022**"), without shareholders' preemptive subscription right over the said BSA 2022, each BSA 2022 giving the right to subscribe for one ordinary share of the Company with a par value of 0.01 euro, i.e. within the limit of a maximum number of six hundred thousand (600,000) ordinary shares, representing a par value of EUR 6,000.

The nominal amount of the capital increases likely to be carried out in the future pursuant to this delegation would correspond to the issue of 600,000 ordinary shares with a nominal value of EUR 0.01 per share, to which would be added, where applicable, the nominal amount of the shares to be issued in order to preserve the rights of the holders of the BSA 2022, if such reservation would be necessary, it being specified that this ceiling would be deducted from the global ceiling of EUR 260,000 set in point 7.1 above.

The shareholders' preemptive subscription rights over the BSA 2022 would be cancelled and the subscription of said BSA 2022 would be reserved in favor of individuals or legal entities meeting one of the following characteristics:

- executive employees or executive officers or members of the Company's management team who are not corporate officers, or
- members of the Board of Directors (including members of any research committee or those serving as censor) in office on the date of grant of the warrants, who are not executive officers of the Company or one of its subsidiaries, or
- consultants, managers or partners of companies providing services to the Company that have entered into a consulting or service agreement with the Company in force at the time of use of this delegation by the Board of Directors, or
- employees of the Company,

(together, the "**Beneficiaries**").

Pursuant to the provisions of Articles L. 228-91 and L. 225-132 of the French *Code de commerce*, this decision would entail in favor of the holders of BSA 2022, the waiver by the shareholders of their preemptive subscription right over the ordinary shares to which the BSA 2022 entitle them.

It would be decided that:

- the BSA 2022 would not be the subject of a request for admission to trading on any market. They would be transferable. They would be issued in registered form and would be registered in an account;
- the BSA 2022 must be exercised within ten (10) years of their issuance and those that have not been exercised at the end of this ten (10) year period would automatically become null and void;

- the issue price of a BSA 2022 would be determined by the Board of Directors on the date of issue of the said BSA 2022 according to the characteristics of the latter and would in any event be at least equal to 8% of the market value of a common share of the Company on the date of allocation of the BSA 2022. This market value corresponds to the volume-weighted average price of the last twenty (20) trading days preceding the date of grant of the BSA 2022 by the Board of Directors as long as the Company's shares are admitted to trading on the regulated market of Euronext Paris ;
- the issue price of the BSA 2022 must be paid up in full at the time of subscription, by cash settlement or by offsetting against liquid and due receivables;
- the issue price of one ordinary share to be subscribed for pursuant to the exercise of the BSA 2022 should be determined by the Board of Directors at the time of the grant of the BSA 2022 and shall be equal to the volume-weighted average share price of the last twenty (20) trading days preceding the date of grant of the BSA 2022 by the Board of Directors as long as the Company's shares are admitted to trading on the regulated market of Euronext Paris (the "**Exercise Price**"); and
- the ordinary shares thus subscribed should be fully paid up at the time of their subscription, either by cash payment or by offsetting against liquid and payable debts.

In the event that the 2022 Warrants have not been fully exercised, the Company would proceed with one of the transactions mentioned below:

- issue of securities with preemptive subscription rights for shareholders; or
- capital increase by incorporation of reserves, profits or share premiums; or
- distribution of reserves in cash or securities,

the rights of the holders of the 2022 BSAs would be reserved under the conditions provided for in Article L. 228-98 of the French *Code de commerce*.

The Company would be authorized to change its purpose, amortize its capital, modify the distribution of profits or distribute reserves in accordance with the provisions of Article L. 228-98 of the French *Code de commerce*.

Pursuant to Article L. 228-98 of the French *Code de Commerce*:

- in the event of a capital reduction motivated by losses through a reduction in the number of shares, the rights of the holders of the BSA 2022 as to the number of shares to be received upon exercise of the BSA 2022 would be reduced accordingly as if the said holders had been shareholders from the date of issue of the BSA 2022;
- in the event of a capital reduction motivated by losses through a reduction in the par value of the shares, the subscription price of the shares to which the BSA 2022 warrants entitle their holders would remain unchanged, with the issue premium being increased by the amount of the reduction in par value.

In addition:

- in the event of a capital reduction not motivated by losses by way of a reduction in the nominal value of the shares, the subscription price of the shares to which the BSA 2022 warrants entitle the holder would be reduced accordingly; and
- in the event of a capital reduction not motivated by losses through a reduction in the number of shares, holders of the 2022 stock warrants, if they exercise their BSA 2022, may request the repurchase of their shares under the same conditions as if they had been shareholders at the time of the Company's repurchase of its own shares.

The Company would be authorized to require holders of the 2022 BSAs to repurchase or redeem their rights as provided for in Article L. 228-102 of the French *Code de commerce*.

Lastly, we request that you grant full powers to the Board of Directors, with the right to subdelegate these powers in accordance with the law, to implement this delegation, and in particular to:

- to establish the list of beneficiaries among the persons fulfilling the characteristics specified above and to set the number of BSA 2022 allocated to each of them ;
- issue and allocate the BSA 2022 and set the subscription price, the exercise conditions and the final terms of the BSA 2022, in particular the exercise schedule and the cases of acceleration of the exercise conditions in accordance with the provisions of this resolution and within the limits set in this resolution;
- set the price of the common share that may be subscribed for upon exercise of a BSA 2022 under the aforementioned conditions;
- determine the dates and terms of the issue of ordinary shares to be carried out pursuant to this delegation of authority in accordance with the legal and statutory requirements;
- receive the subscription to the said BSA 2022 and record the completion of the definitive issue of the BSA 2022 under the conditions set out above and their allocation;
