This percentage applies to a number of shares adjusted, if necessary, to reflect transactions that may affect the share capital subsequent to this Meeting, and when shares are purchased to promote liquidity under the conditions defined by the General Regulations of the AMF, the number of shares taken into account for the calculation of the aforementioned 10% limit corresponds to the number of shares purchased, less the number of shares resold during the authorization period.

Under no circumstances may the Company hold more than 10% of the shares comprising its share capital at any time as a result of acquisitions made by the Company.

2. Resolves that the buyback of these ordinary shares can be carried out in order:

- to implement and perform obligations related to stock option programs or other share allocations to employees and corporate officers of the Company and, in particular, to allocate shares to employees and corporate officers of the Company in connection with (i) profit-sharing, or (ii) any share purchase, stock option or free share allocation plan under the conditions provided for by law, in particular by Articles L.3331-1 seq. of the French Labor Code (including any sale of shares referred to in Article L.3332-24 of the French Labor Code), and to carry out any hedging transactions relating to such transactions;

Company by redemption, conversion, exchange, presentation of a warrant or any other means;

- more generally, to carry out any transaction that may be authorized by law or any market practice that may be admitted by the market authorities, it being specified that, in such a case, the Company would inform its shareholders by means of a press release.

3. Resolves that the maximum unit purchase price may not exceed, excluding charges, forty euros (€ 40) (or the equivalent value of this amount on the same date in any other currency). The Board of Directors may, however, in the event of transactions affecting the Company's share capital, in particular a change in the par value of the ordinary share, a capital increase by incorporation of reserves followed by the creation and allocation of free shares, a stock split or reverse stock split, distribution of reserves or any other assets, amortization of capital or any other transaction affecting shareholders' equity, adjust the aforementioned maximum purchase price to take into account the impact of such transactions on the value of the share.

4. Resolves that the purchase, sale or transfer of these shares may be carried out and paid for by any means authorized by current or future regulations, on a regulated market, on a multilateral trading facility, with a systematic internalizer or on an electronic communications network, in particular through the purchase or sale of blocks of shares, through the use of options or other forward financial instruments or forward contracts, or through the use of warrants or, more generally, of securities carrying rights to shares of the Company, at the times the Board of Directors shall determine.

5. Resolves that the Board of Directors shall have full powers, with the option to sub-delegate such powers, to carry out, in compliance with the relevant legal and regulatory provisions, the permitted reallocation of shares purchased for one of the objectives of the program to one or more of its other objectives, or to sell them, whether on or off-market.

6. Resolves that the Board of Directors shall have full powers, with the option to sub-delegate such powers, to decide and implement this authorization and to determine the terms and conditions thereof in accordance with the law and this resolution, and in particular to place any and all stock market orders, enter into any and all agreements, in particular for the keeping of registers of purchases and sales of shares, make any and all declarations to the AMF or any other authority, draw up any and all documents, in particular information documents, complete any and all formalities, and generally do whatever is necessary.

8. Resolves that this authorization, as from its use by the Board of Directors, cancels and replaces, for the remaining period and unused amounts, the authorization granted to the Board of Directors by the Combined General Meeting of May 19th, 2022, in its nineteenth (19th) resolution.

- charge the difference between the carrying amount of the cancelled ordinary shares and their nominal amount to all available reserves and premiums, including the legal reserve, up to a maximum of 10% of the cancelled capital;
- amend the bylaws accordingly; and
- carry out all formalities (in particular with the AMF), take all steps and make all declarations to all institutions and, in general, do all that is necessary.

5. Decides that the aforementioned delegation is granted for a period of 18 months as from the date of this General Meeting and terminates, with immediate effect, any previous delegation granted for the same purpose. It therefore supersedes the delegation granted by the Combined General Meeting dated May 19th, 2022 in its twentieth (20th) resolution.
